22 atbildes

It was creative mobility

Thank you for these activities!

I want to say that I'm really happy to have the opportunity to take a part in this project.

Thank you for your tasks.

Thanks for this fantastic journey :)

happy easter

i really enjoyed the meetings

it's really nice

This was really fun and creatively

Thank you for everything :D

I liked this project

which was a really good experience

Thanks, for this project!

thanks to my teacher for this experience

Thank you, for this fantastic project

Speak more English

Thank you so much

I meant that maybe this year there were break rooms, and above all I would have liked to do it in person
