

“AMERICA’S GOVERNMENTS ARE AT WAR WITH EACH OTHER”

Name:

Period:

Directions: Read [this article](#) about cooperative federalism and the Covid-19 Pandemic. Then, answer the questions below.

1. List three examples of power struggles between different levels of government during the Covid-19 Pandemic?

2. How did these power struggles affect the country’s ability to respond to the health crisis?

3. The fight for control between different levels of government extends far beyond the issues of the pandemic. Give two more examples of conflicting federal, state, and/or local policies. How might we solve the problem of strained federalism?
