### 2025 Summer Math Practice for Incoming Pre-Algebra Students *7th Grade/6th Honors*

Happy Summer and welcome to 2025 Summer Climb!  
Staying current in your math skills over the summer will set you up for success when you return to school this Fall. Please try your best on each of your two assignments.

A few things to keep in mind:

- **Please use the links below to access your Summer Climb assignments for both July and August.**
- You'll submit your assignments using Google FORMS, **be sure to complete your work on a separate sheet of notebook paper which you need to turn in by Friday, September 5th.**
- **Both the July and August assignments are required** and will be input in ALMA as math grades for the new school year.
