

Color Wheel Mandala

Regular Art

Grade Level: 7th-8th Grade

Time Period: 2-3 in class days

Goal/Objectives:

- ★ To create an artwork using a radial/mandala design
- ★ To understand the element of color and color wheel order
- ★ To understand how colors relate to one another
- ★ To improve use of colored pencils and blending skills

Vocabulary:

- Color
- Radial
- Primary
- Secondary
- Tertiary
- Tint
- Shade

Materials:

- 12" x 12" white drawing paper
- Ruler
- Pencil
- Colored pencils
- Blending technique sheet/worksheet
- Thin sharpie marker

Steps:

1. Review the color wheel mandala slideshow on google classroom.
2. Complete small color wheel drawing (placing colors in correct spots), and a rough draft idea of what your mandala will look like - 12 sections total
3. Options for designing your mandala....
 - a. Use the triangle template to draw your design once and then trace that design through your paper 12 times - see slide #10
 - b. - OR - Divide final paper into 12 sections - see slide #11 (this may not relate to you if your design is different.

4. Begin lightly drawing in designs for mandala in PENCIL.
5. Begin adding color to each section of mandala making sure it is in color wheel order, there is a tint of each color, and a shade of each color..
6. Add thin sharpie or black pen outlines if your design could use it.
7. Erase any leftover pencil lines.
8. Sign the bottom right corner of the artwork.
9. Complete the ARTIST STATEMENT slideshow & add a photo to the 2nd side.
10. Turn in slideshow to the correct assignment for a grade.
