On Ice Pictures

One of the highlights of the Ed Horvath Tournament is the opportunity for teams to take photos on the ice after playoff games. We understand how meaningful this is for players, families, and coaches. However, to ensure fair play and maintain schedules, we ask that teams be mindful of ice time and work together to balance the experience. If necessary, the rink manager or tournament committee may request teams to celebrate off the ice to avoid delays.

The Tournament Committee with the collaboration of the Head coaches will move forward on the below outlines:

1. 10 minutes or more left on the game allocated ice time: Five Minute overtime

For this tie-breaking option, the game allocated ice time allows one 5-minute stop time period. Play will end when one team scores and is declared the winner.

2. 5 minutes or less on the game allocated ice time: Shootout

2025 Tournament Package

In the event of a tie where there is less than 5 minutes left on the game allocated ice time, each team will select three shooters and each player will take one shot each, and the shots alternate from team to team. Upon completion of the three-player shootout, the team with the most goals wins. If still tied after each team has taken three shots, then “sudden-death” shots will be taken until a winner is declared. No team shall have a skater shoot twice until all of the players on that team have taken a shot.

3. No time remaining on the game allocated ice time

Due to the nature of the ice permit and the need for floods and other user groups needing access to the ice all games must be completed within their game allocated ice time and in the event of a tie at the end of the game allocated ice time the team who scored first wins.
