Queens Car Accident Lawyer K L Sanchez Law Office, P.C.

K L Sanchez Law Office, P.C., located in Queens, New York, is dedicated to offering strong legal representation to parties injured due to the negligence of others. Our team handles each case with personalized care and professional rigor. Under the guidance of Keetick L. Sanchez, a top-rated Queens car accident lawyer, focuses on assisting injured parties and their families in obtaining the compensation they need following an injury.

### **What should I document immediately following a car accident?**

It's crucial to capture detailed evidence right after the incident. Take extensive photos and videos of the accident scene, collect personal and insurance information from all involved parties, and take notes on any relevant details or witness accounts. This thorough documentation forms the backbone of your claim.

### **Who covers the damages if an Uber driver is involved in my car accident?**

In such cases, the personal insurance of the Uber driver often does not cover the accident if they were active on the Uber app. Instead, Uber's commercial liability insurance may be liable in addressing your damages. A skilled Queens car accident lawyer can assist you in filing a claim, exploring all available avenues for compensation.

### **Can I sue for additional compensation if no-fault insurance isn't enough?**

Yes, you can. In New York, while no-fault insurance covers up to \$50,000, severe injuries can exceed this amount. If your medical expenses surpass the no-fault coverage, you are entitled to sue the responsible party for the remaining costs.
