Email 1 – Market & Opportunity Exploitation

Subject: Tap Into a Billion-Dollar Coloring Book Market – Without Designing From Scratch 

Content:

Hi [Name],

The adult coloring book market is booming — worth billions and growing over 200% every year. But here's the problem: Most sellers either spend weeks creating designs or pay a fortune to hire artists... and still end up with content that blends into the crowd.

That's why I created **Mandala Face Animal Coloring Prompts** — a handcrafted collection of **600+ prompts** that merge the elegance of mandalas with the charm of animals.

- ✓ Create full coloring books in minutes
- ✓ Stand out in a crowded niche
- ✓ Keep 100% of the profits with PLR rights

Here's what you get today for just \$14.95:

- 600+ high-quality prompts for Ideogram 2.0
- 15 unique animal themes (Cat, Lion, Elephant, Wolf, Giraffe, and more)
- Exclusive bonuses: Drum Mandala, Guitar Mandala, Sea Animal Mandala, and more

 You're not just getting prompts — you're getting a ready-to-use system to create products that sell all year round.

Subject: How One Coloring Book Idea Turned Into \$1,000/Month 🇸🇬

Content:

Hi [Name],

A friend of mine started with just one coloring book idea.

She didn't have design skills, just an interest in creating something beautiful and relaxing.

She published her first mandala animal coloring book on Amazon KDP — and within 3 months, it was bringing in \$1,000/month.

All from one idea.

The secret wasn't magic... it was **speed + unique designs**.

She could create more, faster, and better than others in her niche.

That's exactly what **Mandala Face Animal Coloring Prompts** lets you do:

🎨 600+ unique prompts

Subject: My 3 Favorite Tricks for Better Coloring Page Designs 🎯

Content:

Hi [Name],

When generating coloring pages with AI, small tweaks make a huge difference.

Here are my 3 favorite tricks:

- 1️⃣ **Add detail layers** — words like “intricate,” “fine lines,” “symmetric” create richer mandala patterns.
- 2️⃣ **Test multiple seeds** — even the same prompt can give different looks.
- 3️⃣ **Use negative prompts** — remove unwanted colors or backgrounds so your line art is clean.

With **Mandala Face Animal Coloring Prompts**, you already get 600+ handcrafted prompts designed to produce clean, print-ready images.

These tricks just make them even more stunning.

Try one today and see the difference.

Subject: Free Mandala Animal Prompt – My Gift to You 🎁

Content:

Hi [Name],

Here's a free handcrafted prompt from my **Mandala Face Animal Coloring Prompts** pack:

"A black and white coloring page of a lion's head featuring a mandala with swirling wave-like patterns around it. The lion's mane is flowing and it is roaring. The background is white."

Paste this into your AI art tool (I recommend Ideogram 2.0) and watch the magic happen.

Now imagine having **600+ of these prompts** covering cats, wolves, elephants, foxes, giraffes, and even bonus sets like Sea Animals & Underwater Worlds.

That's the power of the full pack.

Subject: My Simple Etsy Listing Formula for Coloring Books 

Content:

Hi [Name],

Selling on Etsy is easier when you follow this simple 3-step listing formula:

- ❶ **Title** — include niche + style (e.g., "Mandala Wolf Coloring Pages – Adult Mindfulness Art")
- ❷ **Tags** — use 13 relevant keywords (animal names, mandala, coloring page, mindfulness, stress relief...)
- ❸ **Images** — show at least 5 preview pages so buyers know exactly what they're getting.

When you combine this with **Mandala Face Animal Coloring Prompts**, you'll have a store stocked with eye-catching, unique designs people can't find anywhere else.
