

## FAST CAMP READING

Dear Parent/Guardian,

Your child is invited to attend the 2025-2026 6th grade FAST Camp. As you know, successful completion of this assessment is used as a placement guide for middle school students. The purpose of this camp is to offer a review of this year's material in preparation of the Reading, Math, and Writing FAST. It will also provide your student with additional opportunities to master test taking skills and strategies. During our time together, we will be focusing on reading comprehension, test taking strategies, and ACE paragraphs. This is an amazing opportunity for your child to work in a small group setting that will target specific areas for growth. We look forward to having your child attend our camps.

	Reading FAST	
	April 15th - May 1st (Friday ONLY) Wednesdays 7:25 - 8:15 am Room 804	

It is strongly suggested that your student take advantage of this opportunity! There is no additional cost for this camp. Please note that the days will be on Wednesday with the exception of May 1st, which will be on a Friday.
