

***** FUNDRAISER FOR DA MASTA [#Funds4DaMasta]**

Legendary Australian DJ / MC / hip-hop icon (originally from Noosa, via Brisbane, via Melbourne), **Da Masta** has been battling with cancer for quite sometime now. Legendary MC Reason from Melbourne, alongside DJ Sheep, who originally had a long history and rivalry with Da Masta in the 1990's have decided to stand up and co-ordinate an auction ala "Heat 4 Huntz" (R.I.P.) - with respect to the original idea - to raise some funds for Da Masta's medical bills as well as helping him release his next album and provide him with funds to get through this difficult time.

We are looking for donations, no matter how big or small you are in the Australian hip-hop community. Cancer is a serious issue that has affected us all with the passing of the legendary Hunter as well as affecting people the world over.

Any donations are greatly appreciated. To donate, please reach out to funds4damasta@gmail.com by **no later than Friday the 16th December**. The auctions will be **posted on the 19th of December** and **end on Boxing Day, the 26th of December**.

The auctions will take place on eBay which is where I will need everyone's help to get the word out on social networking sites/message forums. If you donate, it will also be your responsibility to send the items to the winning bidder via registered post.

Here is the process to be involved (I will not be responding to facebook/twitter/message forums):

1. E-mail me a description of the item you wish to donate (including grading if it is a used item)
2. Send me a high quality picture of the item, or a few if photos if there is a front/back/autographs
3. Send me a description of item as detailed as possible
4. Send me the name you wish to appear as the person who donated
5. Package the item up ready to send, fill out a registered post form
6. Once the winning bidder has paid, I will forward you their address and you can send it registered.
7. Pat yourself on the back for doing a good man a good deed, and anticipate the karma that comes back from doing such.

So far we have **Hilltop Hoods, Crate Cartel, Downsyde, Jaquey (Weird Gear), Chris Kelly (Addicts / Sunday Scratch Jamboree), Minimal Aesthetics Records, Soul Clap Records, SBX Crew, Porsha Laine, Nikk-C, Len-1, Reason, Delta, Terntable Jediz/Blue Corner Records Family (DJ Sheep, Damage, Matty Fresh)**, and many more involved. I hope that more people jump on this bandwagon and show the respect and love the lad deserves. If you can not donate, please help spread the word and participate in the auctions and show this little Aussie battler some love.

For a little background of his situation, please watch this video, it's heartbreaking to say the very

least.
