

Welcome to Etowah County Schools!

We are so excited for you to be a part of Etowah County Schools! ECBOE is using ParentSquare as our system-wide, school, and extracurricular activities communication! Students can download the StudentSquare app for student communication.

StudentSquare is a safe and secure communications tool for students to stay connected and communicate with their teachers, coaches, and club advisors!

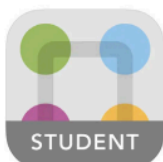

Note: Students cannot communicate with each other through StudentSquare.

1

Download the StudentSquare App

Get the FREE StudentSquare app for iOS or Android. Use the camera on your phone to scan these QR codes – it takes you directly to the App Store or Google Play Store.

2

Login to your StudentSquare Account

After you download and install the StudentSquare app to your device, Students will use their ecboe email address using the Sign in With Google option to begin. You can also sign-in using the website:

<https://www.mystudentsquare.com/signin>.

3

Start Using the App to:

- Receive School-Wide Posts;
- Check Class Messages from Teachers;
- Direct Message your Teacher with a Question;
- Sign-Up for Events;
- Check your Athletic/Club Schedule; and
- MUCH MORE!

Once you are logged in, you can access [Help Articles](#) for more information on navigating and using StudentSquare. To add your phone number to your account, click on My Account, Edit Account, Click Add next to Phone. Enter cell phone, click Next, and then enter verification code sent to your phone to confirm.
