

Kirkland Lake U7 Rotary Jamboree Jan 19th, 2025

Each game is 20 minutes in length. The horn will sound every 2 minutes to signify a line change.

Teams will be made up of teams of 6-10 players (additional players will be allowed upon approval)

The ice will be split into 3 mini rinks.

Each team will have 4 skaters on the ice at a time with no goalie.

Please ensure your team is on the ice and ready to play at the start time on the schedule. The horn will sound at the start time to begin the game.

Each team should have a coach on the ice with their helmet, skates and stick.

To keep an easy flow and avoid traffic jams, we ask that teams enter the ice from the visitor's bench and exit from the home bench (closest bench to the scoreboard).

Coaches will be provided with a box for their teams which will include a packaged lunch, drink, medals and a lucky player award.

One parent per player in the dressing room to assist with dressing. Once the player is ready, the parent is to leave the dressing room. Coaches will remain with players.

KLMHA wishes to thank all coaches, parents, players, family and friends for joining us for our U7 Rotary Jamboree. We hope that everyone has a fun filled day!
