OR
"EXPIRED NUTS"

BY LEWDVIG TITTGENSTEIN AND SINESTRO

The scene—an AIM chat room, 3 AM. One user is helpfully explaining to you exactly which members of Bill Clinton's administration came from space, while another is trying to tell you about how George Bush covered up the CIA's involvement in the Kennedy assassination. You can learn all about it from the various sites in his webring. Today we're exploring the conspiracy theories of years past. Grab your IBM 5100, spin up your Tipler cylinder, and let's get this Chevy rolling.

This document seems long, but that's because we're keeping formatting when... important. To us. Notes from the document authors are in [pink](#), but do not necessarily reflect the opinions of our globalist overlords. [All hail.](#)

The Sony Psi-Station: Game Over for Corporate ESP Project

by D. Trull, Enigma Editor

For years it has been reported that Sony was involved in some sort of psychic research, but the details have been few and poorly corroborated. The company plainly took deliberate measures to maintain low-key status for this most unconventional R&D unit, so that the average consumer would have no idea what strangeness might be unfolding at the home of the Discman and the PlayStation. Although more specifics are surfacing now that the program has ended, the full scope and substance of Sony's adventures in ESP remains unknown.

The founder and former director of the Sony psi labs is researcher Yoichiro Sako. With a background in mathematics and computer science, Sako first worked in a variety of multimedia and artificial intelligence departments at Sony. After establishing himself at the company, Sako began to pursue a personal interest in paranormal matters from within the bureaucratic corporate structure, like Sony's answer to Fox Mulder.

In 1990, Sony allowed Sako to head up a study on scientific evidence for the biological energy known as qi, which is an integral part of many Eastern spiritual beliefs. Sako's proposal might never have been approved were it not for the support of Sony co-founder Masaru Ibuka, who is a firm believer in the principles of qi energy. The following year Sako was granted his own laboratory devoted to paranormal investigations, which was code-named ESPER (Extrasensory Perception and Excitation Research). Staffed with a small team of five researchers, Sako's program covered a wide range of phenomena, including telepathy, remote viewing, synchronicity, the practice of qi gong, the nature of consciousness, and undoubtedly much, much more.

But Sony made no announcements of its entry into a bold new field of research, and remained virtually silent on the subject of ESPER through the first several years of its existence. The company's first public acknowledgement of Sako's psi lab came in 1995, in the aftermath of the nerve gas attacks in Japan's subways. Public anxieties over the occult activities of the Aum Shinri Kyo terrorist organization forced Sony to speak out on its rumored dabblings in the supernatural.

"Sako's main interest is in pushing on the boundaries and definitions that shackle traditional science," Sony executive Mika Ishida told Wired magazine in 1996. "There might be a new type of

communication system out there, a system that transmits data through mediums we've never before considered. We don't know, but we're trying to find out."

ESPER continued operations for several more years under extensive confidentiality, until Sony announced in July 1998 that the laboratory had been closed down. Only then did Sony make an official statement on the findings of the program. Quite casually and without pomp or circumstance, Sony issued the claim that its psi labs had verified the existence of psychic abilities. But there was one little problem: the company couldn't come up with any way to turn this incredible breakthrough into something marketable.

"We found out experimentally that yes, ESP exists, but that any practical application of this knowledge is not likely in the foreseeable future," Sony spokesman Masanobu Sakaguchi said in the South China Morning Post.

The next time you hear someone say, "This Internet thing is just a fad," slap them upside the head for me, will you?

Not that I normally condone physical violence, but in this case, you'll be doing them a favor. They need to snap out of their walking comas. For better or worse, the information revolution is here. The basis of our economy is steadily shifting from the means of industrial production to the knowledge that enables industrial production. As a result, ordinary human beings suddenly have access to sophisticated information technology, allowing unprecedented access to the marketplace of ideas. But will this same technology be turned against us in the name of "national security?" As the military and the intelligence community begins exploring the frontiers of information warfare, the answer to that question is more ominous than ever. This ParaScope special report will take a look at what is being planned, and who is doing the planning.

[Part 3: War is Peace](#)

<facetiously> Rah rah rah! Take a Unisom for UNOSOM! Believe what you're told, sheeple, or you'll fuck up everything!

Information technology is a double-edged sword. It is not inherently good or evil. But it is extremely powerful. And powerful forces are seeking to exploit its potential in ways that may prove to be extremely antagonistic to our rights and our well-being as individuals and as a society. The only realistic option available -- besides pulling a Unabomber and heading for a cabin deep in the woods -- is to harness technology's power for mutual education and empowerment. Without an adequate knowledge base, there will be no basis for collective action in response to the coercive tactics of the globalist power elite.

Hey, wait a minute... that sounds kind of like information warfare, doesn't it? Is that what the future holds for all of us? As Marshall McLuhan said, will World War III be a guerrilla information war with no division between military and civilian participation?

Take a step back from the Defense Science Board Task Force report for a second. Is that report, itself, a cruise missile in the opening salvo of a global information war? How about Brennan and Ellis' SAIC report? Was it not one of the tactical pressure points which led Executive Order #13010? And if those reports are, in fact, part of an overall strategy for establishing a dominant position in the global theater of infowar, then is the very article you are reading right now part of an information warfare counteroffensive? Perhaps part of an overall strategy for undermining public support for the U.S. government's exploitation of infowar?

Come a little closer so I can slap you upside the head.

As soon as Bill "I Didn't Inhale" Clinton took George "War on Drugs" Bush out of the Oval Office, the taboo against marijuana use in America receded to some extent. Television and music began making guarded references to cannabis, culminating with rap artist Dr. Dre's album *The Chronic*, which featured a pot leaf covering the CD. Use of marijuana, especially among youth, began suddenly climbing after a slow decline over the previous decade. In a sense, this is ironic, since more people have gone to prison for marijuana-related offenses during Clinton's presidency than ever before.

But all the hoopla and controversy over the act of smoking cannabis sativa serves as a convenient distraction from the true purpose of marijuana criminalization. Like so many other "crimes" in our society, the principal reason for pot's illicit status is economic, not social. When actor Woody Harrelson was arrested for planting four hemp seeds in rural Kentucky to publicize the industrial uses of hemp, his point was well taken. This article will examine the real motives for marijuana's criminalization and the vast, unharnessed industrial potential that the hemp plant presents to a world struggling with food shortages, high petroleum prices, environmental degradation and finite resources.

[Mark of the Beast](#)

As end-of-the-millennium hysteria picks up steam, prophecies of totalitarianism are flying at us from the brink of the year 2000. Some say the day is coming when every man, woman and child -- and even our dogs and cats -- will be implanted with biochips and tracked from orbiting satellites. Although at first glance these predictions may seem hysterical and paranoid, the establishment of a "Beast system" similar to the one described in the Book of Revelation is, for the first time in human history, technologically feasible. Are we one step away from having a 666 chip stuck in our butts? This special report will take a look at current telemetric technologies and their potential role in undermining citizen's rights in the information era.

[Fear the Beast](#)

"The technotronic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an elite, unrestrained by traditional values. Soon it will be possible to assert almost continuous surveillance over every citizen and maintain up-to-date complete files containing even the most personal information about the citizen." --Zbigniew Brzezinski

The fear of national ID systems, biochip implants, and related technologies is ultimately rooted in distrust of government. It was this same inherent distrust of centralized government and citizen control that led the Founders to write a Constitution that bound the hands of government from interfering in the rights of the people. The rights so succinctly expressed over two hundred years ago have been gradually eroded to the point that today, legislators and bureaucrats openly plan to install national telemetric systems of control and interaction.

Can the country which failed to institute the metric system coerce its population into accepting a universal Mark of the Beast? The answer to that question lies with you, the individual.

Revelation 13 indicates that humankind has a choice: unless you accept the Mark, you cannot buy or sell. That doesn't mean you HAVE to. Whether or not Biblical prophecy interests you, you must realize that you are faced with the same exact choice, as the United States shifts to an information-based economy. Will you allow yourself to be integrated into a telemetric system of coercion and control? Or are you willing to work a little harder, take a few extra risks, and keep the back door open in case things go bad?

After all, whether you're talking about a smart card, a credit card, or an implant, they can't really force you into it. All they can do is make it seductively easy, convenient, and efficient, and prey on your fear. The decision to yield in the direction of least resistance is yours.

The History of the Conspiracy Against Tobacco

=> NEW: The direct personal link between the American Cancer Society and the Nazis: [Charles Dewey Hilles Jr.](#), Skull & Bones 1924

THE D.O.J.'S NAZI SHOWTRIAL

FACT: The U.S. "Department of Justice" cannot describe a single act of scientific fraud by the tobacco companies. Their specious case consists of pretending that any disagreement with anti-smoking dogma is automatically an act of fraud.

The DOJ's accusations are a travesty concocted by malice-ridden, subhuman baboons, who believe in magic and think it's science, and think they are entitled to persecute infidels and suppress science in its own name.

FACT: The ANTI-SMOKERS control BOTH SIDES, and this whole series of phony showtrials is nothing but a pretext for the anti-smoker racketeers to loot, plunder and persecute smokers.

[The Definition of Conspiracy](#)

The goal of smokers' rights is prosecution of the anti-smokers' crimes. On this website is the investigation that the corrupt US Department of Justice should have done LONG AGO.

[Smokers' Rights is the Foremost Human Rights Issue](#)

THE MEDIA LIE FOR A STATEWIDE SMOKING BAN

“Estimates suggest that at least 53,000 Americans die every year from diseases that result from exposure to secondhand tobacco smoke, according to four groups: the American Lung Association, the American Heart Association, the American Cancer Society and Smokefree Wisconsin. The Environmental Protection Agency has classified secondhand tobacco smoke as a Group A carcinogen, which means it is known to cause cancer in human beings, the four organizations report.”

[Editorial, Apr. 25, 2005 /JS Online](#)

FACT: Their vaunted "EPA Report" was written via illegal pass-through contracts through fronts to an anti-smoking fanatic consultant to the ALA.

FACT: The ACS, ALA, and AHA created their fraudulent claims by suppressing research and deliberately using defective studies in order to falsely blame tobacco for diseases that are actually caused by infection.

FACT: Not even the author of the EPA ETS report chapters on asthma, Dr. Fernando Martinez, believes in the garbage that he wrote any more.

FACT: The lying scum in the media have systematically concealed these crucial facts from the public. They do not inform the mass of their readers; only the tiny minority who participate in forums have ever been exposed to the truth - and no thanks to the "journalists" themselves. Osama bin-Laden is right! US democracy is nothing but a lie, a sham, and a fraud!

Anti-Smoker Racketeering

Every time you turn around, the tobacco companies are hemorrhaging more money to the bloodsucking anti-smoker filth. It is all part of the bloodsuckers' racketeering scheme: Long ago, THEY took over the tobacco companies in order to loot, plunder and exploit smokers for the anti-smokers' benefit, while their obliging whores in the media spew a smokescreen of lies pretending that "Big Tobacco's" money is a threat to the (nonexistent) integrity of its gloating, anti-smoker-controlled recipients. Anti-smoker-controlled R.J. Reynolds's meek settlement of the "Kool MIXX" lawsuit by Illinois Attorney General Lisa Madigan, Maryland AG Joseph Curran, and New York AG purposely handed \$1.46 million to four anti-smoking hate groups to spread ignorance and spew defamations against tobacco. (Landmark Settlement of "Kool MIXX" Tobacco Lawsuits. Press Release, Attorney General Lisa Madigan, Oct. 6, 2004.)

[Press Release, Oct. 6, 2004 / Illinois Attorney General \(pdf, 2pp\)](#)

The bloodsuckers used smokers' money for a hip-hop party dedicated to their message of hate and lies (instead of the namby-pamby feel-goodism of a tobacco campaign). The bloodsucking filth smugly proclaimed that "These are young people that value the culture, that respect the culture, and are not going to allow it to be prostituted, are not going to allow it to be pimped, are not going to allow it to be punked or played." While they dance to music funded by money stolen by corrupt Attorneys General whose victories came from their "opponents" throwing the fight. (Anti-Tobacco Campaign Fights Back With Hip-Hop. By Makebra M. Anderson, NNPA May 18, 2005.)

[NNPA May 18, 2005 / Frost Illustrated](#)

R.J. Reynolds's control by the anti-smokers began at least as early as the 1950s, when Henry C. Roemer of the law firm Davis, Polk and Wardwell - which was involved in the Guaranty Trust's funding of anti-smoker Adolph Hitler - became its counsel.

[R.J. Reynolds - Henry C. Roemer links to Guaranty Trust](#)

Infectious agents have long been PROVEN to cause cancer, so ALL studies that ignore infection are INHERENTLY defective. For seven decades, the health fascist filth have committed this fraud with impunity, using their political power to stifle legitimate criticism. This STONEWALL of the issue of CONFOUNDING BY INFECTION is PRIMA FACIE PROOF OF THEIR CRIMINAL INTENT TO COMMIT FRAUD. In fact, there have never been any genuinely scientific studies on ETS - NONE WHATSOEVER - because of the conscious, wilfull, deliberate, and systematic conspiracy of the LASKER LOBBY that controls our health establishment; and whose mere existence, like a sinister clause from the Protocols of the Elders of Zion, WE ARE FORBIDDEN TO DISCUSS.

Politics

Here's the so-called "freedom" our soldiers are supposed to die for.

The lie-spewing fascist media propagandize us to quit smoking, by using an ignorant, craven piece of crap, who licks the vermins' boots and thanks them for locking him up in a SMOKE-FREE JAIL! "Thank you, master, for relieving me of the burden of my freedom" is what Anti-Smoker Occupied Amerika really stands for. This is how the bloodsuckers convince themselves that the whole world is just longing to be invaded, looted, plundered, and raped by themselves. This is why the bloodsuckers are so astonished when the patriotic people of Iraq hate their guts and resist them! (How Prison Helped Me Kick My Smoking Habit. Diane Martin. Pacific News Service, Sep. 28, 2004.)

CAUTION -- the BB's

Most regrettably, the necessity of this page is precipitated by the type of persons who abuse the privilege of viewing this Web Site and are weirdly compelled -- by their basic lack of intelligence, comprehension and manners -- to conjure up and spread exceptionally childish, vile and derogatory comments about this Web Site at their favorite Internet hangouts for such parasitic bums -- the public bulletin boards. By their despicable, immature actions they have earned the descriptive title of **BB's -- Bulletin Board Bums**

These BB's are the type of persons who when challenged to do so, can not come up with a single contribution that they themselves have made to science or society. It is quite apparent when they go berserk and wildly criticize this Site in their childish, immature manner, they are in reality venting their jealousy and anger in an uncontrolled reaction to their own very severe shortcomings.

If you have already proved by your uncontrolled actions to be one of these BB bums, buzz off, don't look at the rest of this Site and crawl back into your hole.

Otherwise if you are not a BB, to all others a continued **WELCOME** to this Site. Regardless of what some of these BB's falsely state, there is absolutely nothing in this Site which is fake or a hoax. Everything is absolutely true and factual. If after seeing the first few pages you are undecided as to fake or factual, as you

view and read the next pages try to imagine just how we could possibly fake the highly detailed and unusual photographs shown throughout this Site. No Way non-BB's. Regardless of how startlingly unusual they are, they are not false or fake, they are absolutely true and factual.

The BB's, obviously lacking intelligence, objectivity and good judgment, can't make that distinction apparently blinded by their own incapacibilities.

PLEASE PROCEED AND BELIEVE **TRUE AND FACTUAL** FOR IT ALL IS.

THAT CONTACT WITH EARTH HAS FINALLY BEEN INITIATED BY

EXTRATERRESTRIAL SUPER INTELLIGENT BEINGS. THE SIBs"

REPEATED ATTEMPTS TO SPREAD THE ASTONISHING NEWS AND ASSOCIATED AMAZING DISCOVERIES TO THE WORLD FIRST THROUGH PATHETICALLY INCOMPETENT, STONE-DUMB- STUPID, UNCOOPERATIVE U S GOVERNMENT OFFICIALS; THROUGH TOTALLY OVERWHELMED & DUMBFOUNDED SCIENTISTS AND ASTRONOMY GROUPS -- WHO HAVE SEARCHED FOR YEARS IN VAIN FOR SUCH ALIEN INTELLIGENT LIFE AND APPARENTLY ARE PEA-GREEN WITH ENVY OF THESE NEW DISCOVERIES; PLUS TOP MEMBERS OF THE OVERLY SKEPTICAL AND UNCOOPERATIVE NEWS MEDIA ---- BUT IN SPITE OF REPEATED EFFORTS WITH THESE GROUPS, THESE ASTONISHING NEW DISCOVERIES HAVE REPEATEDLY AND EXTREMELY IGNORANTLY BEEN IGNORED BY ALL OF THEM GIVING NO CHOICE BUT TO ESTABLISH THIS WEBSITE TO INFORM YOU, THE WORLD PUBLIC WHO HAS THE RIGHT TO KNOW, OF THESE ASTONISHING DEVELOPMENTS AND DISCOVERIES AFFECTING THE UNIVERSE, THE SOLAR SYSTEM INCLUDING EARTH AND ALL LIVING THINGS AND BEINGS INCLUDING MANKIND.

THE INITIAL CONTACTS BY THE SIBS TO GAIN MY ATTENTION INCLUDED: ON TWO OCCASIONS THE DISPLAY OF STRANGE GLIMMERING MULTICOLORED LIGHTS; DEFINITE EVIDENCE OF A SPACE SHIP LANDING; AND THE CAREFUL PLACEMENT OF CHEMICAL DROPLETS FROM A CONTROLLED CLOUD WHERE I COULD NOT AVOID NOTICING THEM. (DON'T LAUGH, SOME CLOUDS ARE CONTROLLED BY THE SIBS TO A CERTAIN EXTENT)

SOON AFTER THESE ATTENTION GETTING INITIAL CONTACTS WERE MADE BY THE SIBS AND BEING TOTALLY UNAWARE AS TO WHAT WAS TO HAPPEN NEXT, I WAS SUBCONSCIOUSLY LED TO PHOTOGRAPH AN AREA OF THE SKY WHERE THERE APPEARED TO BE NOTHING BUT A FEW CLOUDS --- BUT UPON VIEWING IN A COMPUTER, DISCOVERED A MASSIVE SPACE SHIP FABRICATION AREA STRETCHING ACROSS THE SKY FOR NEARLY 3 MILES FROM THE HORIZON UP TO AN ALTITUDE OF 3,000 FEET -- ALL OF WHICH OTHERWISE WAS TOTALLY INVISIBLE TO THE NAKED HUMAN EYE AND APPARENTLY ALL IMMUNE TO EARTH'S GRAVITY;

ASTONISHINGLY, THE PHOTO OF THE SEEMINGLY EMPTY SKY ALSO REVEALED A MULTITUDE OF OTHER HIGHLY DETAILED IMAGES EMBEDDED WITHIN THE PHOTO SHOWING IN CROSS SECTION AND IN AMAZING TIME REGRESSION CAPABILITY, THE STEP BY STEP MASSIVE PROCESS OF FABRICATION AND METAMORPHOSIS OF THEIR HUGE SPACE SHIPS FROM THE VERY INITIAL STAGES OF COCOON LIKE OBJECTS TO COMPLETION OF EACH SPACE SHIP;

SUBSEQUENT TO THE INITIAL CONTACT WITH THE SIBs, INVESTIGATIONS HAVE REVEALED MANY OTHER STARTLING DISCOVERIES ABOUT THESE WONDERFUL, MAGNIFICENTLY BENEVOLENT SIBs INCLUDING THE DISCOVERY OF THE "UNIVERSE OF INVISIBLE MATTER" IN WHICH THEY EXIST AND MANY OTHER STARTLING DISCOVERIES PERTAINING TO THE SOLAR SYSTEM AND THE UNIVERSE, INCLUDING;

THAT THE SIBs AND THEIR MILLIONS OF HELPERS HAVE ALREADY REMOVED BILLIONS OF TONS OF CHEMICAL POLLUTANTS FROM OUR ATMOSPHERE AND ARE CONTINUING TO DO SO EVERY DAY GREATLY BENEFITING EARTH, MANKIND AND ALL LIVING THINGS PLUS MATERIALLY REDUCING THE DREADED GREENHOUSE EFFECT;

THAT THEY EFFECTIVELY CONTROL CERTAIN TYPES OF CLOUDS INCLUDING AS A PART OF THE FABRICATION OF THEIR SPACE SHIPS AND THE COLLECTION AND DISPOSAL OF THE CHEMICAL POLLUTANTS REMOVED FROM OUR ATMOSPHERE;

THAT THEY HAVE DEVELOPED AN ASTONISHING METHOD OF ESSENTIALLY DUPLICATING NATURE'S CAPABILITY OF METAMORPHOSIS -- THE CHANGE FROM ONE STATE OF BEING TO ANOTHER. AND THEY APPARENTLY USE THIS PROCEDURE TO TRANSPORT IN SPACE CERTAIN OF THEIR EQUIPMENT -- EVEN THEMSELVES -- FROM ONE AREA OF THE UNIVERSE TO ANOTHER IN A COCOON-LIKE STATE IN THE FORM OF "SIBIGA" (SIB INTELLIGENCE GUIDED ASTEROIDS) AND TO THEN EVOLVE THE

ITEM OR THEMSELVES BY METAMORPHOSIS TO A RECONSTITUTED, OPERATING STATE OF BEING;

THAT AS A RESULT OF CONTACT WITH THE SIBs AND THE DISCOVERY OF INVISIBLE MATTER, WE CAN NOW TAKE CROSS SECTION AND TIME-REGRESSED PHOTOS DEEP WITHIN THE SUN, THE MOON, PLANETS AND OTHER CELESTIAL BODIES SHOWING THEIR INTERIOR MAKEUP AND HOW THEY EVOLVED SINCE THEIR VERY BEGINNING BILLIONS OF YEARS AGO;

THIS AMAZING PROCESS IS FULLY EXPECTED TO APPLY TO ALL OTHER ELEMENTS OF THE ENTIRE UNIVERSE PERMITTING THE DEVELOPMENT OF A VASTLY SUPERIOR UNDERSTANDING OF THE MAKEUP AND OPERATION OF OUR UNIVERSE THAN HERETOFORE EVER IMAGINED POSSIBLE;

AS YOU WILL SEE HEREIN, INVISIBLE MATTER AND IN SOME INSTANCES, THE SIBs THEMSELVES, EXIST ON THE MOON, THE SOLAR SYSTEM PLANETS AND HAVE BEEN FOUND AROUND AND INSIDE THE SUN AND HAVE BEEN IN ALL OF THESE ELEMENTS OF THE SOLAR SYSTEM SINCE THE VERY BEGINNING OF TIME BILLIONS OF YEARS AGO;

AND ALL THIS IS JUST THE BEGINNING. THERE IS MUCH, MUCH MORE ALL OF WHICH HAS TOTALLY CONFUSED TODAY'S "OLD SCIENCE" "CAN'T COMPREHEND IT" SCIENTISTS AND ASTRONOMERS; TODAY'S BACKWARD HEAD-DEEP-IN-THE-SAND NEWS MEDIA; THE "IT'S JUST AMERICAN FOLKLORE" GOVERNMENT AND TOTALLY CONFUSED NASA.

WARNING: IT IS RECOMMENDED THAT UNLESS YOU HAVE AN UNUSUALLY HIGH ABILITY TO COMPREHEND, REASON AND ACCEPT THE UNUSUAL, THAT YOU STOP VIEWING THIS SITE AND GO NO FURTHER. IT IS OUR EXPERIENCE THUS FAR THAT A VERY LOW PERCENTAGE OF PERSONS VIEWING THIS SITE HAVE THE COMBINATION OF THESE CAPABILITIES INCLUDING U S CONGRESSMEN, NASA, COLLEGE AND UNIVERSITY STUDENTS AND PROFESSORS, SCIENTISTS, ASTRONOMERS AND OTHERS WHERE VERY FEW -- NEXT TO NONE -- HAVE SHOWN THESE QUALITIES.

“Blood Suckin Parasites” or Preface or WHEN BEING HETEROSEXUAL BECAME THEIR CRIME

An open letter to “Sally-soccer-moms” - “Joe-six-packs” and all others who foolishly believe that “lock step” conformity and unquestionable obedience to government social cleansing agents is a reflection of one’s cultured civility and intellect...

[in stark silence-do you hear children crying]

This introduction and hereafter frightening saga with photos should be a clarion call to such well intended persons who helplessly want to believe the proverbial saw: “all roads are paved with good intentions,” and to others, who find it easier to mock warning signals rather than think and investigate the engineers of the good road.

[in stark silence-do you hear children crying]

Even though, one can almost predict with certainty the laissez-faire attitude from most, never the less, hopefully the hereafter posted true story will tweak the emotions of some from smugness to reality. A soul-stirring case of what the frenzied lesbian controlled government agents wrought upon an unsuspecting , innocent, happy family.

[in stark silence-do you hear children crying]

What you are about to read and see, hopefully, will stir your emotional sorrow enough to bring tears to your eyes. How an unprovoked attack by the lesbian controlled, family bustin, bounty hunters destroyed the lives of 7 seven innocent Americans.

[in stark silence-do you hear children crying]

However, before you go on, I want you to pause for a moment or two. Now close your eyes and listen, listen close my friends, in complete silence.....

- What do you hear? Do you hear crying in the distance?
- Do you hear 3 three little [kitty-cat cute girls] crying in the night, frightened nearly to death, for all they want is to be with their mommy and daddy. Then, what about the 2 two newly born who where snatched by the beasts at birth, are they by now also crying for their mother and daddy?

Do you hear others crying? Listen close, do you hear the mother and father crying in their dark dank prison cells? Still traumatized and bewildered as to what sort of crime deserves this beastly treatment. Little do they know that their only crime was being heterosexual.

While still in deep thought, what else do you hear?

- Do you hear a pack of blood-stained lesbian beasts milling around, licking their chops over their latest catch?

The Judeo Masonic Roots of Modern "Culture"

Modern "culture" is a product of the Luciferian conspiracy against Christian Civilization.

Relentlessly negative and increasingly obscene, modern "culture" attacks the sources of dignity, decency and hope that define us as human beings rather than animals.

True culture is based on refining our animal instincts in terms of our spirituals ideals (like truth, justice, goodness and beauty.) Modern anti culture is based on demoralizing and destroying society by disparaging these ideals.

Anti culture portrays man in purely naturalistic and material terms. Every sexual impulse and bodily function must be recognized and often indulged. This is considered "courageous" while any demur is considered repressive and prudish or fascist.

This is not prudishness. Human dignity requires privacy. Female allure requires modesty and mystery. We have souls, not only bodies.

The exaltation of man's animal nature, at the expense of his spiritual qualities, is a direct consequence of the deification of man. Our anti culture assumes that man is a finished product and doesn't need to be transformed by God's Love.

A symptom of making man God is that we mystify and worship human beings. We worship a cult of great minds, a cult of great beauty, a cult of great wealth and power.

Modern "culture" reflects the final unfolding of a diabolical conspiracy that rejects God's plan for mankind's development.

Bin Laden, Bush Serve The *Same* Master

The headquarters of Islamic terrorism is London, England, where the Anglo-American Establishment sponsors the radical "Muslim Brotherhood" in order to advance its long-term goal of plutocratic global dictatorship.

These globalists have fabricated a bogus "war on terror" to crush the remaining vestiges of nationalism and democracy in both Muslim countries and the West. Expect more incitements like the current "Miss World" imbroglio to convince both sides the other endangers its way of life.

In a comprehensive online report, the perceptive Hawaii-based researcher Peter Goodgame concludes: "Osama bin Laden is not, nor has he ever been, the leader of the international Islamist movement which is directed by the International Muslim Brotherhood."

Goodgame continues: "Osama bin Laden has been used effectively as a figurehead for the Brotherhood's militant branch to take responsibility for its atrocities, but he is not the mastermind... By the same token, the Muslim Brotherhood is a tool by the British-based Globalists whose main objective is to overthrow the established world order and create a new one-world system of global governance."

Goodgame cites former British Intelligence Officer, Dr. John Coleman, who says the Muslim Brotherhood is a secret freemason order set up by the great names of British Middle East Intelligence, T.E. Lawrence, Bertrand Russell and St. John Philby to "keep the Middle East backward so its natural resource, oil, could continue to be looted."

The Muslim Brotherhood has been used to check nationalist movements led by such figures as Nasser, Bhutto and the Shah of Iran who tried to develop their countries. Without the British, "radical Islam would have remained the illegitimate, repressive minority movement that it has always been, and the Middle East would have remained stable and prosperous," Goodgame says.

The Muslim Brotherhood is now a powerful faction in the global oligarchy. Goodgame cites Robert Drefuss, author of "Hostage to Khomeini" (1980):

"The real Muslim Brothers are ... the secretive bankers and financiers who stand behind the curtain, the members of the old Arab, Turkish, or Persian families whose genealogy places them in the oligarchic elite, with smooth business and intelligence associations to the European black nobility and, especially, to the British oligarchy.

And the Muslim Brotherhood is money. Together, the Brotherhood probably controls several tens of billions of dollars in immediate liquid assets, and controls billions more in ...everything from oil trade and banking to drug-running, illegal arms merchandising, and gold and diamond smuggling. By allying with the Muslim Brotherhood, the Anglo-Americans are not merely buying into a terrorists-for-hire racket; they are partners in a powerful and worldwide financial empire..."

By fabricating a bogus war between Islamic fundamentalism and the West, the globalists are able to attack their real enemy, humanity. Pulling the strings, they will ensure that both Western and Muslim states are degraded and finally completely subjugated to their odious rule.

The globalists have long been using wars to subvert, demoralize and destroy Western civilization. They backed the Nazis and the Soviets in World War Two. They created the Punch and Judy show that was the Cold War. They tied U.S. hands while backing Ho Chi Minh in Vietnam.

Who are they? Also called the illuminati, they represent a recrudescence of the alliance of Rothschild finance and European aristocracy secretly coordinated by a Satanic dogma hidden in freemasonry.

They plan a new feudalism that will impoverish the middle classes, depopulate and enslave the masses, and leave only the rich served by a technocracy. The whole world will resemble a repressive third world country governed by the IMF, UN and World Bank.

The globalists are headquartered in London and centred on the Rothschild-dominated Bank of England, MI-6 and the secretive Round Table society, which spawned the Royal Institute of International Affairs. The American branches include the Council on Foreign Relations, CIA and the Rockefeller foundations which all ensure the American people continue to finance and enforce one-world tyranny. The Bush family has owed its prominence to this cabal ever since grandfather Prescott Bush helped arrange financing for Nazism.

The Hexagram, an inverted double tetrahedron, is the geometric form of the Diamond... An ancient symbol of the manifested universe... A symbol of Beauty... The interlacing triangles represent the law of love, and the union of polar opposites, themselves, the symbol of the cosmic order, conceived in the Universal Mind prior to the manifestation of humanity on Earth... The Diamond, the perfection of the mineral kingdom, radiates the energy of Love, Wisdom and Power... THE CHRIST CONSCIOUSNESS...

* Interestingly enough the hexagram is seen on top of the eagles head on the back of the U.S. One Dollar Bill...

In Hindu teachings the hexagram (known as the Sri Yantra) is the symbol of the ATMAN, the Supreme Being whose name is OM... I AM... Peace... That Which Was, Is And Shall Be... This philosophical awareness has been scientifically substantiated in the West through the science of cymatics... The OM sound, when vibrated on a metal surface, creates a distinct hexagonal pattern...

All this beautifully correlates with the Bible in John 1:1 (revised) where it is stated: "From the beginning is the word and the word is with God and the word is God... OM... I AM"... The word OM is concealed within the words Wisdom, Shalom, and Freedom...

RULES OF RENAISSANCE

An excerpt from ["WE CAN HEAL AMERICA,"](#) an interview with author 🌍 Marianne Williamson 🌍, who we have never heard of in our lives because it is 1998.

1. It is always our prerogative, as individuals and as nations, to choose again: to say no to a direction we've been moving in and yes to a new one. Our greatest power is our capacity to change our minds.
2. Alignment with higher principle is always supported by invisible forces.
3. If an energy is not in alignment with divine truth, it is ultimately temporary. It will not last forever, and is more vulnerable than it appears.
4. The universe is impersonally invested in evolving toward goodness and uses any available conduit for the purposes of doing so. Willingness to be so used activates the conduit. You're as good for the job as anyone else, and your past is totally irrelevant. In the words of Dr. King, "Even though the arc of the moral universe is long, it bends toward justice."
5. Don't expect the old order to like you.
6. A life of love and effort on behalf of the collective good promises the satisfaction of knowing that you are doing what you were born to do. You are not, however, promised specific results as you might define them.
7. Your happiness regarding the reality that's coming is a more potent method of social conversion than is your anger regarding the reality now.

-John F. Kennedy at Columbia University, 10 days before his assassination And then, by Executive Order, **he ordered the Treasury to issue new silver coin** (based on the silver held in the Treasury at the time) directly into circulation, thus **supplying new currency to the American people, without incurring any new public debt** for the first time in over 30 years. Less than two weeks later, before he could publicly speak, and before the order to issue the silver coin could be carried out, he was assassinated.

The first thing Lyndon Johnson did upon assuming the presidency was **cancel Kennedy's Executive Order to issue the silver coin**, then **he turned over to the Federal Reserve bankers the bulk of the silver held by the Treasury - so that no future president could ever threaten to do the same thing (create a competing debt-free currency for Americans to have and use)**. Then he ordered the treasury to mint the 1964 "Kennedy" silver dollars and half-dollars (which you should remember are only 40 percent silver) ! Some tribute to Kennedy - huh !

Do you think it's just a coincidence that Johnson came from the Federal Reserve Bank in Texas ?

AMERICA,

BETRAYED !
WE CRY TREASON !

HOW AMERICA WILL BE DESTROYED BY 2010

Well, if you've read this far, by now you understand THAT THERE IS NO REAL MONEY LEFT IN AMERICA ANY MORE, ONLY EVIDENCE OF DEBT (notes). Debt MUST eventually be re-paid, and when it is, America will be left with an insufficient amount of currency left in circulation to conduct even the business of daily necessities. How could this happen, you ask ? Well there are several scenarios that are possible actually. One is called deflation. Like inflation, it also destroys currencies and nations that fall victim to their unseen forces.

"As goes the currency, so goes the fate of the nation."

Each monthly debt payment has the effect of reducing even further the amount of currency in public circulation. As less and less money is left in circulation to use, unless new money is introduced (loaned back into circulation), a recession, and then rapidly following, a depression, results. Of course, this has all been engineered by the the Federal Reserve Bank, which will be FORECLOSING ON EVERYTHING AND EVERYBODY THAT MISSES THREE PAYMENTS, FOR THE ENTIRE DEPRESSIONARY CYCLE, JUST LIKE IN THE 1930s. Eventually resulting in the ridiculous situation where the BANKERS OWN DEED AND TITLE TO ALL OF THE MOST DESIRABLE PROPERTIES IN AMERICA

(WORLD)! WELCOME TO THE NEW WORLD ORDER - SLAVERY TO THE MONEY GOVERNMENT FOR THE REST OF YOUR LIFE, YOUR CHILDREN'S LIVES, THEIR CHILDREN'S LIVES, THEIR CHILDREN'S LIVES..... well, you get the picture. If not, read [The Communist Manifesto](#).

BANKERS RULE !

Keep in mind now, that the stated timetable for implementation of the "New World Order is the year 2000. In order to usher in a "New World Order", with a "One World Currency" system it would of course first be necessary for the people of the world to be ready to accept a "One World Currencny" system, and that implies that it is either necessary to remove or destroy the existing system, or engineer such chaos and havoc within it that People all over the world would beg their government for a "new system", thus opening the door to the international bankers (One World Government) conspiracy. So, what do you suppose there is that could possibly happen to create [financial confusion, havoc, and utter chaos within our current money and finicial systems by the Year 2000 !](#)

Harvest Truth

[Art "Bullshit" Bell](#)

The only time I listen to radio is while traveling. I have listened to Art Bell when I had to drive all night to meet a deadline over the last several years. I have also listened to Rush Limbaugh, G. Gordon Liddy, and an old acquaintance from KFI in Los Angeles named Tom Leicus (sp?). I find them all entertaining. They keep me awake while driving.

At about 2:30 one morning during one of these trips, I heard a caller ask Art Bell if he was a Freemason. Bell replied, "Yes, are you a fellow traveler?" The term, "fellow traveler" is used by extreme leftwing Marxist socialists and communists to identify each other.

How many sheople have seen the following Art Bell Logo and didn't get the message? How many will look now and not see all the hidden symbology that can only come from an "adept" with a very high degree in the ancient Mystery School of Babylon?

Click Here Now!

Did you notice the hidden messages, "A.L." and "R.T. Bel"? Can you decipher them? Did you notice that a "capstone" is in place? Did you notice "Bel" is placed above the capstone by the flying arrow? Do you know what that means?

I'll give you one clue... A.L. is the abbreviation for the Latin which translates "Year of Light" referring to the year 6,000 A.L., (which occurs on or shortly after the year A.D. 2000) when the Illuminati believe Lucifer, Baal, Bel, Satan, the angel of light who was cast out of heaven, will triumph over God and mount the throne in the north. All who say they are "Light Workers" are engaged in the battle against God on Lucifer's behalf. You solve the rest of the puzzle.

I have long recognized that Art Bell is a shill for the New World Order. It is confirmed in his book "The Quickening". In fact that is the entire theme of the book.

Apparently, the night before last, a relative of the renowned Patriot Cleon Skouson was a guest on Bell's show. He talked about the policy of the United States government to absorb a "first atomic strike" from Russia should one be launched.

I was amazed to hear the comments of Bell and his callers about the information disclosed in the previous nights broadcast. They were aghast that such a policy could exist.

The demonstrated ignorance of Art BULLSHIT Bell and his audience was absolutely amazing. It has never been a secret that we would have to absorb a first atomic strike. All of our "Civil Defense Shelter" projects were cancelled after the 1950s.

Art Bell has a propensity to promote lies, misinform, and intentionally mislead his audience. He redirects their energy into chasing rainbows, aliens, UFOs, bigfoots, cities on Mars, ghosts, voices from hell in a well dug in Siberia, and many other loony toon subjects so that his audience is always lost in woo woo land. His audience is so bombarded with lies that they will never know or address the real enemy or problems that we face.

About 95% of all subjects and guests on his show are frauds, fantasies, fakes, con-artists, and escaped mental patients pedaling bullshit by the barrel. He IS a change agent for the new world order.

Because of all of these facts I took to calling him Art "Bullshit" Bell" while on the air. I also nailed him as a shill for the New World Order and a socialist in MAJESTYTWELVE on this website.

I know for a fact that Art Bell has repeatedly visited this website. His visits are automatically registered by the statistics program provided by the server.

World government means the complete destruction of the sovereignty of the United States of America and its Constitution. Anyone who supports such a notion is a TRAITOR. Bell ridicules anyone and everyone who attempts to steer his audience in the right direction, identify the REAL enemy, and stir the audience to valid and meaningful action.

The fact that I have "outed" this Marxist/socialist change agent is most probably the reason he told the bold faced lie last night (August 11, 1998) during his broadcast. Art Bell is a Marxist, a Freemason, a shill for the artificial alien threat, a shill for world totalitarian government.

How observant are you? Do you understand the symbolic message in the following Art Bell Logo.

Click Here Now!

Did you know that the sea (mare or Mary) is a symbol of vast numbers of People, the masses in socialist lingo? Did you notice that the pyramid rises from the sea (People) and dominates the scene as a promise, or savior? Did you know the pyramid missing the "capstone" represents the "Great (unfinished) Work" of the Mystery School of Babylon? Did you know that the "Great Work" represents social engineering (socialism) working toward the apotheosis of the race (perfected god-like "sixth root race") as promised to Adam and Eve by Satan, and a "New World Order"? Did you notice that the name "Art Bell" straddles the capstone signifying that he is the "Light Worker," or "Illumined Man," or "Master Mason," or "Horus," or "perfected god-Man" who completes the "Great Work"? Did you notice the "Bright Star" fallen from heaven just above the "capstone"? Do you know what or who it represents? Do you see the "Thousand Points of Light" working in silence "behind the veil" of clouds in the heaven to bring about the necessary changes?

Art Bell's book "The Quickening" is one of the most blatant, in your face, pieces of new world order propaganda that I have ever seen. It shamelessly advocates the formation of a world totalitarian socialist government.

"Will there be a global government with a *benevolent* dictator, overseeing global law, global police and a global judiciary in an attempt to make the world cleaner, peaceful and prosperous? If that's what it takes to achieve these ends, so be it." -- from *The Quickening* by Art Bell, page 309

Buy it, read it, recognize it for what it is, and then send it back to Art BULLSHIT Bell as an indictment of his TREASON... and don't hesitate to call his show and tell him exactly what you think of him and his proposed world government.

Art BULLSHIT Bell is successful because he speaks only to and for SHEOPLE. He speaks to and for those who cannot reason, and do not ever think for themselves.

Bell's audience is in the same category as Rush Limbaugh's "Ditto Heads". Can you imagine being proud of being called a "Ditto Head"? If any of these ignorant sheople ever really listened to Art BULLSHIT Bell and if they had the capability to put 2 and 2 together and arrive at 4 instead of 3, they would hang this subversive from the highest Elm tree in the nation.

Art BULLSHIT Bell is a Judas Goat. Follow him and he will lead you to the pens to be sheared and then to the slaughter. That is always the fate of sheep(1c).

We have noticed that all the artwork containing Mystery School symbolism has disappeared from Art Bell's website since we exposed them on this webpage. Some of them now appear on an "Artist's Canvas" page and are now attributed to listeners who are supposed to have sent them in. Some of them just vanished into thin air... Magic?

Rosicrucian Orders

Rose-Croix de L'Orient (RCO) is the name of a very obscure movement, which have left few traces throughout history, but some brief references. It might be identical to August Reichel's «Brotherhood of the Illumined Brethren of the Rose-Croix», but I have no knowledge about this, and are just speculating. Sar Ignatius, head of the «R+C Martinist Order», informs me that the RCO have been in existence under Dr. E. Bertholet, the head of «Ordre Martinist & Synarchy» in Switzerland (many orders were flourishing around there from the period 1890-1940). The OM&S became dormant after Dr. Bertholet's death. His son-in law, Peter Genillard did not want to continue the OM&S work. He wanted to work only in the "Rose-Croix". The "Rose-Croix" in question was not just AMORC (he was a Grand Officer in the Swiss AMORC Grand Lodge), but the "Rose-Croix de L'Orient" (Rose-Cross of the East). RCO was never listed as part of the FUDOSI, but many of the occultists in FUDOSI is bound to have known about them (btw; one can speculate why Victor Blanchard was made R+C Imperator of the east/orient, in the FUDOSI? HSL was Imperator for America and SH was Imperator of Europe). This secret Order is also mentioned by Sar Aurifer (Robert Ambelain) in his 'Sacrementaire de la Rose-Croix', a collection of exorcisms and prayers. Tradition relates that it was this Order from whom Saint-Martin received a Rosicrucian Initiation. It may have descended from the Order of the "Asiatic Brethren", favourably described by A.E. Waite in his book, 'The Brotherhood of the Rosy-Cross'. Ambelain was allegedly the head of RCO, until his recent transition. In the USA, Ron cappello (who also runs OMM, KRC and some more) are the GM of RCO.

Antiquus Arcanus Ordo Rosæ Rubæ Aureæ Crucis (AAORRAC) in Austria, which became, as the name indicates, a part of AMORC, although originally independent. It was lead by Eduard Munninger with headquarters in the legendary "Castle Kraempelstein". Munninger & Martin Erler was co-operating in the revival of R+C in Germany after the World War II. The roots of AAORRAC however, is questionable, as Munninger claimed connection with virtually every authority of that time (Franz Hartmann, Walter Heilman (?), Friedrich Lienhard (?), Anna Sprengel (see Golden Dawn), Max Heindel, etc.) Munninger postulated to Clymer that he represented Krum-Heller in Austria, but the fact remains that Munninger was an AMORC member and actually operating under the jurisdiction of Martin Erler. Today the AAORRAC is led

by Karl Plank who also once was an AMORC member. Among else, he applies the teachings of AMORC in the AAORRAC.

Antiquus Arcanus Ordinis Rosæ Rubæ Aureæ Crucis (later: Antique Mysticusque Ordo Rosæ Crucis - AMORC) was originally founded as the American branch of the European R+C Order, between 1909-1915. The Emperor, Dr. Harvey Spencer Lewis, claimed an initiation into the august order in 1909, but this relation have often been questioned by the critics. However, Lewis did manage to collect different small bodies throughout Europe and melt them into the American AMORC concept, especially after the World War II. Lewis also co-operated with several individuals & orders, as OTO under Reuss, Tranker's Pansophia, and later with the old authentic orders associated in the FUDOSI. Ralph Maxwell Lewis, succeeded his father HSL as Emperor and developed AMORC into the vast organisation they are today. After his death in 1987, Gary L. Stewart succeeded him, but after a few years during his reign, it all culminated into a big-time scandale, with mutual accusations of conspiracy and corruption. After this, Stewart's counterpart, the former French Grand Master Christian Bernard, have held the office as Emperor. Another former French Grand Master, mr. Raymond Bernard (father of Christian) created an order called CIRCES, focusing on the heritage of the Templars, Pythagorean Order & Melchizedec order. I have been led to believe that the material CIRCES works with, originally derives from the OHMT and other FUDOSI affiliated orders. Extremely many occultists (many which have been involved into other order later) have been involved in AMORC during their walk on the mystical path. But also a few celebrities have held membership, such as Walt Disney and Edith Piaff.

MAJESTYTWELVE

VERITAS News Service - The plan for the destruction of the united States of America and the formation of the socialist totalitarian one world government under the United Nations is contained within a Top Secret set of documents under the title of "MAJESTYTWELVE". The term honors the planned placement of ultimate power in the body of 12 "wise men" who are destined to rule the world as the "dicibels" of a "Messiah" front man who will serve as a buffer between them and the sheople of the world.

This plan outlines the formation of a one world socialist totalitarian government. The Constitution of the united States of America and its Bill of Rights is to be scrapped. A parliamentary form of government is to take its place.

The only military force will be a world police force under the United Nations in sufficient numbers and with state-of-the-art technology so that it can field overwhelming force against any perceived threat to the world supra government. The senior officer corps of all of our military forces have

betrayed their oaths of allegiance to the Constitution and have joined the conspiracy. They are in fact traitors engaged in High Treason.

The source of this conspiracy will be found in the body known as the Illuminati. It is made up of the highest adepts of the combined total of the so-called fraternal orders and secret societies. They are bound together by blood oaths, a secret religion, and the promise of an elite status within regional government and the world supra government. Their religion is based upon the Kabbalah and the Luciferian Philosophy. They are not bound by any oath or allegiance save their own. They are loyal to no government or People save their own. And they are Citizens of no country save their already in place secret world government. In their own words, "If you are not one of us you are nothing." To understand the concept and get a glimpse of the real "aliens" see the movie "They Live".

There will be no individual Rights only privileges. All property is to be owned by the State. There will be a redistribution of wealth in order to eliminate class differences. This leveling of the standard of living will be accomplished through a global economic collapse which is in its beginning stages at this time. The economic collapse will fulfill the goal of Marx and Engles' Communist Manifesto which mandates the elimination of the middle class. NAFTA and GATT are also a part of this process.

There will be no more cash money. Trade will be accomplished by a system of computer credits with accounts accessed through debit cards or computer chip implants which will also serve as personal identification, drivers license, and etc.

The plan for the creation of a socialist world government is protected by an invented extraterrestrial threat from space. The entire UFO phenomenon and the uFOOLogy movement has been created to further the protection and activation of the plan. Within MAJESTYTWELVE is Operation Majority which contains the plan justified by presenting the ALIEN threat as the reason for the necessity for world government. The plan states that if the American people are ever told of the supposed alien presence the aliens will destroy the united States of America. All who have access to the plan or who inadvertently discover the plan are silenced by that warning. A further safeguard is that anyone who links the so-called alien threat with the coming world government will be ridiculed and discredited by the press.

The plan is real... the alien threat is imaginary. The alien threat is presented as real through the use of secret technology originally developed by the Germans in their secret weapon programs during WW-II, by geniuses like Nikola Tesla and others. All so-called "leaks" are intentional disinformation projects which are designed to promote the alien threat scenario while allowing for complete deniability on the part of government. The recent frauds perpetrated by Colonel Philip Corso, the so-called alien autopsy film, and many others are projects of this type.

The premise was tested for credibility through the presentation of "The War Of The Worlds" by O. Wells and the Murcury Theatre on CBS in 1939. The public believed it was real setting the stage for the implementation of an alien threat scenario... the only problem was that the state of the art of technology at that time did not allow for a believable presentation. The development of saucer shaped wingless and tailless flying machines by the Germans during WW-II solved the problem.

The announcement of sightings of "flying saucers" near Roswell, New Mexico launched the concept into the public conscienciousness. Applying Hitler's concept of the "big lie" the artificial extraterrestrial threat was nurtured and built into an always present possibility over the next 50 years.

The artificial threat is further advanced through the brain programming of Hollywood movies, television, advertising, publications, and the uFOOLogy movement all of which are in the complete control of the Illuminati and the Intelligence community. Fear is instilled through the incidental use of terror inspired by the cattle and animal mutilation byproducts of the governments radiation monitoring projects and the so-called "alien abduction" scenario induced by state-of-the-art and extremely sophisticated mind control operations.

To make interstellar travel believable NASA was created and the Apollo Space Program foisted the idea that man could travel to, and walk upon the moon. Every Apollo mission was carefully rehearsed and then filmed in large sound stages at the Atomic Energy Commissions Top Secret test site in the Nevada Desert and at a secured and guarded sound stage at the Walt Disney Studios within which was a huge scale mock-up of the moon. All names, missions, landing sites, and events in the Apollo Space Program echoed the occult metaphors, rituals, and symbology of the Illuminati's secret religion. The most transparent was the faked explosion on Apollo 13 which was the metaphor for the initiation ceremony involving the death (explosion), placement in the coffin (period of uncertainty of their survival), communion with the spiritual world and the impartation of esoteric knowledge to the candidate (orbit and observation of the moon without physical contact), rebirth of the initiate (solution of problem and repairs), and the raising up by the grip of the lions paw (reentry and recovery of Apollo 13). 13 is the number of death and rebirth, death and reincarnation, sacrifice, the Phoenix, the Christ (not the one you know), and the transition from the old to the new. Exploration of the moon stopped because it was impossible to continue the hoax without being ultimately discovered... and they ran out of prefilmed episodes.

Any intelligent high school student with a basic physics book can prove NASA faked the Apollo moon landings. The head of NASA at the time of the Apollo Space Program is now the Grand Commander of the Council of the 33rd Degree of the Ancient and Accepted Scottish Rite of Freemasonry of the Southern Jurisdiction. All of the first astronauts were Freemasons. There is a

photograph in the House of the Temple in Washington DC of Neil Armstrong on the moons surface (supposedly) in his spacesuit holding his Masonic Apron in front of his groin. The effect upon the people of the world was that, if we could go to the moon, other creatures from other worlds could travel to our Earth. The escalation of the artificial alien threat scenario since that time is obvious and transparent.

Most of the well known uFOOLogists and so-called UFO researchers are Illuminati, socialist or government change agents operating in furtherance of propagandizing the American People.

It is a fact that the FBI orchestrated the attack upon the World Trade Center teaching the terrorists how to drive the van, build the bomb, place it in the building, and detonate the bomb.

If these acts of terror do not succeed there will be more bombings, chemical, or biological attacks. They will escalate in the destruction, maiming and killing of men women and especially children. As a last resort, if all else fails, the Illuminati are prepared to detonate an atomic weapon in a large American city such as New York, Chicago, or Los Angeles.

When you continue to hear this Constitutional Republic referred to as a "democracy" you must remember that V.I. Lenin said, "Democracy is indispensable to socialism." When you hear our military referred to as "UN Peace Keepers" remember that both Marx and Lenin defined "peace" as, "the elimination of all opposition to socialism." When you wonder where this is all taking us remember that both Marx and Lenin stated that, "The ultimate goal of socialism is communism." And if you think the fall of the Soviet Union was the end of communism read Golytsyn, and believe me when I tell you that the highest ranking communist mole in the CIA was James Jesus Angleton.

World War III is being fought NOW. It is being fought through "Information Warfare" using very sophisticated mind control techniques, propaganda, disinformation, intimidation, fear, and manipulation. It is, in fact, a usually quiet war being fought mostly with silent weapons.

A one world socialist government is the stated and avowed policy of the United States government. The United States created the United Nations. The United States State Department wrote the policy in the document known as State Department Publication 7277 which includes an introduction by President Truman, 33rd Degree Freemason, which admits the US governments "world government" policy. State Department Publication 7277 outlines the merger of the military of the United States with the military of the Soviet Union as a World Peace Keeping Force under the United Nations as the ultimate goal of the foreign policy of the united States of America.

NATO is a part of the United Nations and was created under its auspices according to the UN Charter. The Warsaw Pact was a Part of the United Nations and was created under its auspices

according to the UN Charter. The cold war was a scam which allowed both governments to levy large taxes which were used to develop the technology and experiment with techniques which will be combined to control the population of the world.

The progression of accomplishments toward the completion of the plan to implement one world socialist totalitarian government is guided and controlled by the hierarchy of the Illuminati in the groups known as the Council on Foreign Relations, the Trilateral Commission, the Bilderberg Group, the Round Table Group, the Royal Institute of International Affairs, and many others including the Illuminati in government and industry who are members of the Supreme Council of the 33rd Degree of the Ancient and Accepted Scottish Rite of Freemasonry of the Southern and Northern Jurisdictions, the Supreme Council of the York Rite of Freemasonry, International Zionism, B'nai B'rith, the Grande Lodge of France, the Grande Lodge of England, the Order of the Golden Dawn, the Ordo Templi Orientalis, the Rosae Crucae, the Sovereign and Military Order of the Knights of Malta, the Knights Templar, the Jason Society, the Vatican, and many others too numerous to list, see the "Occult" and other links on our home page.

Politicians are controlled through the accumulation of dossiers by the FBI, the IRS, the CIA, the Mossad, MI6, the ADL, the KGB, and other Illuminati controlled organizations. Anyone who will not play by the Illuminati rules are weeded out and quickly disappear from politics. Remember that it was 33rd Degree Freemason Franklin Roosevelt who created the Federal Bureau of Investigation run by 33rd Degree Freemason Herbert Hoover. The FBI and IRS are, in fact, the political Gestapo for the Illuminati in the united States of America.

Is anyone getting the picture here?
