

### **2025 SILENT AUCTION DONATION**

The Lake Park Educational Foundation is hosting its *Night of Fine Dining & Theatre* along with a silent auction on Friday, December 5, 2025 at Lake Park High School's East Campus. This exciting event includes an elegant winter tasting menu prepared and served by our culinary students, silent auction, and reserved seating to the holiday play, *A Christmas Carol*.

The funds we generate from the event are used for a variety of educational development programs that assist our students and school. This is the Foundation's largest fundraising event and a large part of its success is due to our partners who donate items for the silent auction.

The Lake Park Educational Foundation's mission is to provide resources for unique programs and activities to enhance student learning at Lake Park High School. Our programs include Funds for Excellence Grants, Lancer Emergency Support Fund, Spirit of Excellence Awards, college scholarships and various funding partnerships.

Please consider supporting our event through a donation. Since the Lake Park High School Educational Foundation is a 501(c)(3) organization, your donation is tax deductible. Your business will receive excellent community exposure by being listed in the printed program and on the bid sheets. We anticipate approximately 200 guests. In addition, we will be publicizing the event through the school's e-newsletter, which has 3,000 subscribers.

Please support this event for the benefit of our students. We look forward to hearing from you soon. If you have any questions, please contact Becky Wyatt, Executive Director at 630-295-5264 or [rwyatt@lphs.org](mailto:rwyatt@lphs.org). Thank you for your kind consideration.

Sincerely,

Night of Fine Dining & Theatre Committee
