SFUSD SAN FRANCISCO PUBLIC SCHOOLS

Summer Geometry 2026

SFUSD is offering a six-week intensive Geometry course for current 9th graders who are taking Algebra 1 as freshmen and would like to take Algebra 2 as sophomores. This course counts as a full year (10 credits) of CCSS Geometry.

Location	This course will be in person at Lowell High School.
Dates	Weekdays from Tuesday, June 9th to Friday, July 17th. June 19th and July 3rd are holidays.
Times	The class hours will be 8:30 AM to 2:30 PM with a 30-minute lunch.
Prerequisites	Students must be current SFUSD 9th graders with a grade of A or B in Algebra I for the Fall semester and the current marking period.
Requirements	Students must attend all days of the course and will be dropped on the 3rd absence.*
Application Process	The application will be available from February 20st to March 20th
Application Due Date	March 20, 2026 by midnight
Selection Process	Students will be assigned to available seats through a selection process with priority given to students with financial need.
Acceptance Notification	By March 26, 2026
More Information	See https://www.sfusd.edu/Intensive-Summer-Geometry for the latest updates and information.
