This document serves as a Memorandum of Agreement between Louise VN Liebenberg ("Co-Author", and for purposes of this book, is being referred to as Convener), and \_\_\_\_\_ (Co-author).

Louise VN Liebenberg ("Convener" and "Co-author"), InfinitePotential (Publisher) and the Editor intend to include your whole chapter, or as modified (*and* mutually agreed to), in the **Talk Trust Feel** book. We may adjust the content, format, presentation, or any combination of elements of this chapter for use in the book. The intent of such modification is not to lessen the quality of your contribution, nor change your voice and intention, but to allow for any minor alterations in content and for better flow of information. All such modifications will be mutually agreed on.

This agreement constitutes the assurance that:

- We have your permission to include your chapter in the book
- To the best of your knowledge, your chapter contains nothing of a libelous or defamatory nature and that it does not otherwise infringe upon or violate any right of any third party
- You give us the right to credit you as co-author and to use your name and pertinent biographical information in advertising and promotion of the book, if and when necessary.

Should you have any questions please do not hesitate to communicate with me. A copy of this letter has been sent to the Editor.

Please confirm that the foregoing accurately and completely sets forth our agreement by signing and returning a copy of this letter.

I agree that I will not receive any royalties for having my chapter included in the book but I will be able to order author copies from Amazon.

I agree that all sales royalties will be donated to a charity instituted by Louise VN Liebenberg to provide coaching or counseling for those who cannot afford it.

Louise will print Paperbacks in South Africa, and you can order any number you want at Cost plus Postage for resell, gifts or personal use.
