

EXTREME AIRSOFT

General Things to know *=Covid specific

- Camp is Monday-Friday and begins at 9am and ends at 3pm. We will begin check-in at 8:45. Please call if you are going to be later than 9:30
- If your child is going to be absent or late, please call and let us know. (401)789-1987, Credits/refunds will NOT be given and *campers will not be able to make up missed days during other weeks.
- *Campers are NOT required to wear masks or stay 6 ft from fellow campers. If you wish to have your child wear a mask, you may. Camp staff will not enforce mask wearing if you choose to send one with your child.
- *Groups are limited to 15 including campers & staff, therefore we cannot allow drop ins, makeup days during other weeks, substitutes, visitors, etc.
- *Drop off & pick up will be outside in the parking lot weather permitting.
- *If possible, have the same 1 or 2 adults picking up and dropping off each day.
- *We will have a janitor on duty during camp hours to intermittently disinfect, assure campers are hand washing, and thoroughly clean at the end of each day.
- *We will provide “cubbies” or “Totes” for campers to utilize during the day to contain their personal items and rental gear so as to limit the cross contamination between campers.
- *Each camper will have a designated staging table for the entire week so limit the spread of germs on personal items
- *We do NOT offer a hot lunch option this year.
- We will NOT be allowing the campers under the age of 16 to purchase energy drinks, we ask you do not pack them.

- We will attempt to go outside as much as possible. Please apply sunscreen before camp. We shouldn't be outside for any more than 30 minutes at a time but some campers may require a reapplication. Please send your camper with their own sunscreen. *We will NOT assist with sunscreen UNLESS it is a touchless application and you request that we assist.
- If the instructor feels that any camper is not adhering to our facility and/or camp rules, they will have the camper "sit out". If the problem persists, an employee will reach out to the primary contact and arrange to have the camper picked up early with no refunds.
- If you have any questions, please feel free to reach out to us at anytime

What to pack

- Lots and lots of water! Campers are highly active, and it gets very hot so water is a must! Soda and other very sugary drinks will not hydrate campers enough. (Soda is ok for lunch) Last year we allowed campers to refill their water bottles in our facility. Due to Covid, we will not be able to facilitate this. Please pack enough water for the entire day. You are welcome to leave extra water at the facility for the week so campers don't have to carry it in and out each day.
- Campers must pack lunch & snack (we are NOT offering a lunch package this year). Snacks and beverages are available for sale, cash only.
- We will be playing water games on one or more days; Campers will need a towel on that day. We will communicate this with you.
- To limit germ spread, we ask that you send an individual hand sanitizer with your child if possible (this is not required). We will have sanitizer for campers if they need it.
- Send campers in comfortable "active" clothing that is weather appropriate. We will attempt to go outside even if it is slightly rainy so send a weather appropriate jacket if needed. A change of shirt is not required but might be nice for the camper (they get very sweaty & we may play some water games). Sneakers are mandatory. Crocs and/or sandals are not permitted.
- Campers may bring their own nerf gear if they wish. Please label all personal belongings. Please do not send darts as we cannot guarantee they will be recovered from the field.
