4K Registration Frequently Asked Questions

Will all children who register be placed in a 4K classroom?

Children selected for 4K programs must demonstrate academic or developmental needs and/or risk factors such as parent income, education level, etc. Students will be placed in classes using this criteria until the class reaches its capacity. Remaining children will be placed on a waiting list. If spots become open anytime during the year, students will be placed from the waiting list based on screening criteria.

How will the academic and developmental needs as well as other risk factors of the child be determined?

The registration form is comprehensive and will give us some of the information that we need. Other needs will be assessed when we screen the children at a scheduled screening date. Once you register your child and submit the completed documentation, you will be called from our office to schedule a date to bring your child to be screened.

How old does a child need to be to attend 4K?

Children must be 4 on or before September 1, 2026 to apply.

Will 4K be offered virtually?

No, 4K will not be a virtual program.

How do I find out which school is in my attendance area?

Click [HERE](#) to access the district attendance map.

May I pay tuition for my child to attend 4K if I live outside of the Anderson 4 attendance area?

No, Anderson 4 does not accept tuition for 4K students. You must be a resident of the district.

What if I do not have all of the required documentation readily available?

You will have ample time to submit the documentation; however, your child will not be screened nor placed in a class or on the waiting list until all documentation is completed and received.

What if the bills or home/apartment where my child and I reside are not in my name?

You will need to contact the District Office for an Affidavit of Residency. Once completed, return with the requested documents from your landlord or homeowner.

If I register my child online, how do I submit the required documentation?

If you choose to register online, you may submit the required documentation via email to Samantha Schwingen at sschwingen@anderson4.org or you may drop the documentation off at the Anderson 4 District Office at 315 East Queen Street, Pendleton, SC 29670. Please ensure that your child's name is on all paperwork and that required documentation is included..
