

~LUMINARY~

Oh, blest Spirit, how we love
Thy love for things above;
For it is by Thee alone
That we approach the Throne.

Thou art that luminary
Bringing the Son glory;
And it is by Thee, rather,
We approach the Father.

Co-equal and substantial,
In every way Thou'rt equal,
And yet 'tis by Thee we see
The fullness of the Three.

Like a bird upon the wing
Thou ever to us bring
All good things that from Heav'n come
By the Father and the Son.

Holy Scripture doth avow
The Bridegroom's Friend art Thou;
Ever Thine the lowest place,
Pleased just to see His face.

May we see Thee as Thou art,
Heartbeat of the Father's heart,
Light proceeding from the Son,
Heaven in our earth begun.

Let us e'er in this brief span
Give all glory that we can
To the blesséd One and Three,
Holy Spirit, through Thee.
