

Full Roster Skaters - Put a yes or no in the appropriate box for each column. The box will automatically turn red or green for you. This must be done AT THE LATEST by the Monday morning before each game. If you have not responded as a yes prior to the Monday morning before a game, we will ask a sub to skate with us if there are less than 10 skaters. If you change your answer to yes after that Monday, you are still encouraged to skate. The sub will also still skate. Each yes will increment the total skaters counter at the bottom.

Yes, like this!

Goalies - The team's regular goalkeeper is to fill out yes or no in their row. The box will automatically turn red or green. If there is a need for a sub, the sub should fill in their name rather than a yes or no in the appropriate box in the goalie sub rows. DO NOT change the

“Goalie Sub” in column A to someone’s name. A name in the goalie sub row simply indicates that person is available for that game. Once it has been confirmed that a sub will skate for that game, they are to place an asterisk before their name. This will turn the box green.

NO!

Practice Players and Other Skater Subs -

DO NOT change the boxes that say “Sub 1” etc. to somebody’s name. Subs should fill in their name for dates they are available to play. It doesn’t matter if “Thelma” is in the Sub 1 row for one game and the Sub 4 row for another game. Once a sub is confirmed to play for a game,

they are to put an asterisk in front of their name. This will turn the cell green and increment the total skaters counter at the bottom.

Coaches -

Please put a yes or no in the appropriate box. It will automatically turn red or green.

Scorekeepers -

It is the player's responsibility to fill in the scorekeeper's name when they have confirmed a person to scorekeep. Enter the person's name in the appropriate box and it will turn green.

Please keep your germs at home when they come to visit, and please don't try to skate if you are injured.
