Abstract (Arial, 11pt, bold)

Abstracts are written in English using Arial letter size 10, space 1 and with a text length of 150-200 words. It is important to avoid writing mathematical abbreviations and formulas in the abstract. Abstract describes briefly about the problem, objectives, methods, results and conclusions. Writing complete sentences contains at least subject and predicate elements. In writing a passive sentence, the subject and predicate elements must be clear, not confused with the explanatory (object) element. (Arial, 10pt)
