ABSTRACT

Abstract must be written in English with 12 pt Times New Roman font, single spacing, italic, justify which consists of 150-200 words explaining about research background, methods objective, research method, and conclusion.
Keywords: *consists of 3-5 words, separated by comma (,)*

ABSTRAK

Abstrak ditulis dalam bahasa Indonesia, Times New Roman ukuran 12 pt, *justify*, spasi tunggal, terdiri dari 150-200 kata, memuat latar belakang masalah, tujuan penelitian, metode penelitian dan hasil penelitian.
Kata Kunci: terdiri dari 3-5 kata, dipisah dengan tanda koma (,).

1. INTRODUCTION (*font Times New Roman* 12pt, bold)

The introduction is written in Times New Roman 12 pt, justified, with the first paragraph indented 1 cm, and sentences between paragraphs should be written without additional spaces before and after them. It contains a description of the background of the research problem, along with the problem statement, written in the final paragraph of this chapter. The author should include a footnote to demonstrate the validity of the source. [1 space]

Note to authors: Articles should be between 3,000 and 10,000 words long (excluding references). Each article will be checked for plagiarism.

Articles should be typed in Microsoft Office Word format, using Times New Roman font, 12pt, and 1.5 spacing on A4 paper. The paper format is 4-4-3-3 (left-top-right-bottom).

Authors can submit and register articles via online OJS on the website by first registering and uploading the article.

The background must describe the purpose of the research and describe previous research and the problem solving that the researcher wants to solve as a solution both now and in the future.

2. RESEARCH METHOD/METHODOLOGY OF THE REVIEW

If the article is a research then use the **Research Method**, but if the article is a review then use the **Methodology of the Review**, please do not make the name of this chapter other than mentioned, written using Times New Roman font size 12pt, justified, the first paragraph indented 1 cm, writing sentences between paragraphs without additional spaces before and after (no before and after space). The method is written briefly but clearly explaining the nature/type of research, type of data/research materials, research location, data collection techniques, research approach and data analysis.

3. RESULT AND DISCUSSION

Research results and discussion should be written in Times New Roman font, size 12, justified, with the first paragraph indented 1 cm, and sentences between paragraphs should be written without additional spaces before and after (no before and after spaces). The discussion should be presented in sub-chapters. The research results should answer the problem formulation presented. If there are two problem formulations, there should be two discussion sub-chapters.

3.1. First Sub-section

The title and number of sub-chapters are adjusted to the needs to answer the problem formulation that has been presented in the problem background chapter with the following writing provisions: using Times New Roman font, size 12pt, bold, using numerical numbering.

3.1.1. First Sub-section with 1st Numbering (italic, TNR 12)

If there are still sub-chapters within the first sub-chapter, then use lowercase letters in the title. Authors are asked to avoid sub-chapters within sub-chapters that are more than two levels high.

3.2. Second Sub-section, etc.

The title and number of sub-chapters are adjusted to the needs to answer the problem formulation that has been presented in the problem background chapter with the following writing requirements: using Times New Roman font size 12, bold, using numerical numbering.

If the research is accompanied by a table, the author must include the table in the following form, stating the table number, for example see Table 1.

Table 1. Table with title with TNR 12.

Group	Pre-test	Action	Post-test*
Experiment (E)	O1	X1	O3
Control (K)	O2	X2	O4

*use table notes if necessary with the (*) sign size 10 TN.

If the research is accompanied by graphs/images requiring a minimum quality of 300 dpi (if the author does not meet this requirement, then they are required to send separate image files after the editor has corresponded), then the author must include the graph in the following form, including a mention of Figure 1.

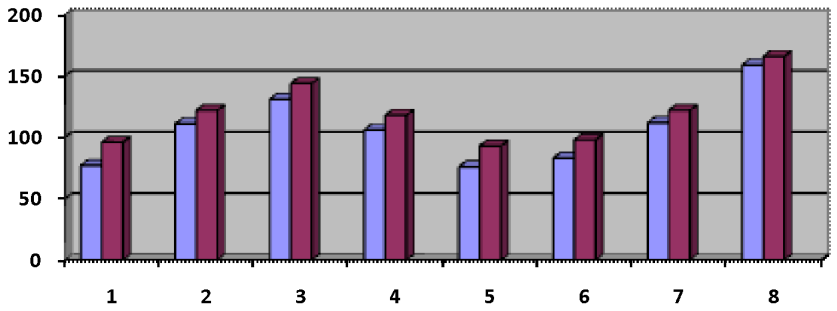

Figure 1. Figure caption with TNR 12.

CONCLUSION AND RECOMMENDATION

The conclusion contains a brief summary of the research results and discussion (answering the objectives). The conclusion is the research finding that answers the research questions or objectives. The research results provide suggestions/contributions to the application and/or development of science (Times New Roman, 12pt, normal, 1.5 spacing), and without further references, are derived purely from the core research results.

The recommendation contains suggestions for future research (Times New Roman, 12pt, normal, 1.5 spacing).
