

Love is an Open Door

Frozen

C, Em F, G, C, Em, F, G

C Em F G

All my life has been a series of doors in my face

C Em F G

And then suddenly I bump into you

C Em F G

I've been searching my whole life to find my own place

C Em Am G

And maybe it's the party, talking or the chocolate fondue

Am

But with you

But with you

C

I found my place

I see your face

D

F7

And it's nothing like I've ever known before

C Em D F7

Love is an open door

C Em D F7

Love is an open door

C

Love is an open door

Em D

With you With you

With you With you

F7 C Em F G

Love is an open door

C Em F G

D

I mean it's crazy,

F#m G A

We finish each others

(that's what I was gonna say!)

Sandwiches

D

I've never met someone

F#m G A

Who thinks so much like me

D F#m
 Our mental synchronization
