

Science and Social Studies

April 9 - 15

Science

- Fusion Textbook (paper copy)
- 6th Grade Website: <https://sites.google.com/caldwellisd.net/6thgradecis/home> for helpful videos and extension activities. I will be updating our pages according to the following schedule.
- “Google Classroom” for graded assignments: classroom.google.com . You’ll need to join the Science Class. The code to join “Gillar—Science” is p32ay6k.
- If you don’t have access to the technology to turn in assignments, simply hang on to the completed written assignments at this time. The district will be making decisions about how to turn in paper materials, and I will let you know as soon as the plan is ready to implement.
- The graded assignments are simply the Lesson Reviews at the end of each chapter. The paper versions are in the textbook on the page listed. The online/google classroom version are the ones that I typed up, based on the textbook. You only need to do one for each lesson—either the paper copy to save or the online version to turn in immediately. If you have access to technology, I’ll be looking for the assignment in google classroom.
- Assignments should be completed by the due date.
- An audio file is included with each Lesson on Google Classroom. It’s just me reading the chapter and review aloud.
- All I ask is that our students try their best. Effort counts.
- Feel free to continue working on your Solar System Project. Just get creative and use what you have at home. Send me an email pic when you’re finished. It’s not for a grade, but it’s a fun project to further enrich your understanding of the material. Have fun with it!
- If you have any questions or concerns, please feel free to email, call me, or text me.

Week 1	To Do:
Lesson 1	<ul style="list-style-type: none">• Consumable Fusion Textbook: Historical Models of the Solar System pp. 456-465; Complete Lesson Review p. 465• Google Classroom: Complete Unit 8, Lesson 1 Review Quiz
Lesson 2	<ul style="list-style-type: none">• Consumable Fusion Textbook: Gravity and the Solar System p. 468-481; Complete Lesson Review p. 481• Google Classroom: Complete Unit 8, Lesson 2 Review Quiz

Social Studies

Resources:

- Social Studies Packets
- 6th Grade Website: <https://sites.google.com/caldwellisd.net/6thgradecis/home> for helpful videos and extension activities. I will be updating our pages according to the following schedule.
- “Google Classroom” for graded assignments: classroom.google.com . You’ll need to join both my Social Studies Class. The code to join “Gillar—Social Studies” is cgmmx56.
- The online assignments are the same as the paper assignments, but tweaked a bit because I typed them in.
- If you don’t have access to the technology to turn in assignments, simply hang on to the completed written assignments at this time. The district will be making decisions about how to turn in paper materials, and I will let you know as soon as the plan is ready to implement.
- Assignments should be completed by the due date. If you have access to technology, I will be looking for your completed assignments each week on Google Classroom.
- An audio file is included with each Lesson on Google Classroom. It’s just me reading the papers and assignments aloud.
- All I ask is that our students try their best. Effort counts.
- If you have any questions or concerns, please feel free to email, call me, or text me.
