

I Love my Mop System ❤️

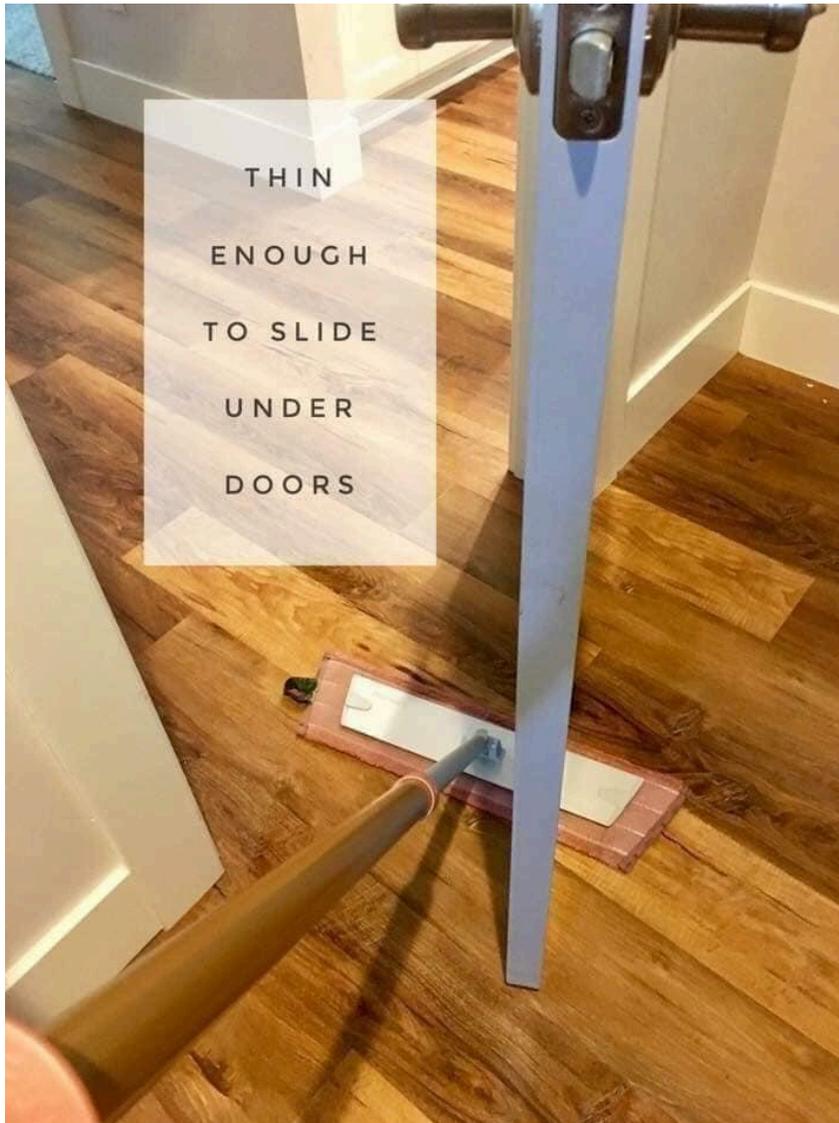

I especially love it to wash my walls down.

Telescopic pole helps me to wash the hard to reach windows outside. 🪟

The wet mop pad removes 99% of bacteria from your floors. 🦠🦠🦠

I don't have to carry around buckets of water anymore. 🪣

No chemicals on the floor to harm your babies and fur babies 🐕🐈👶

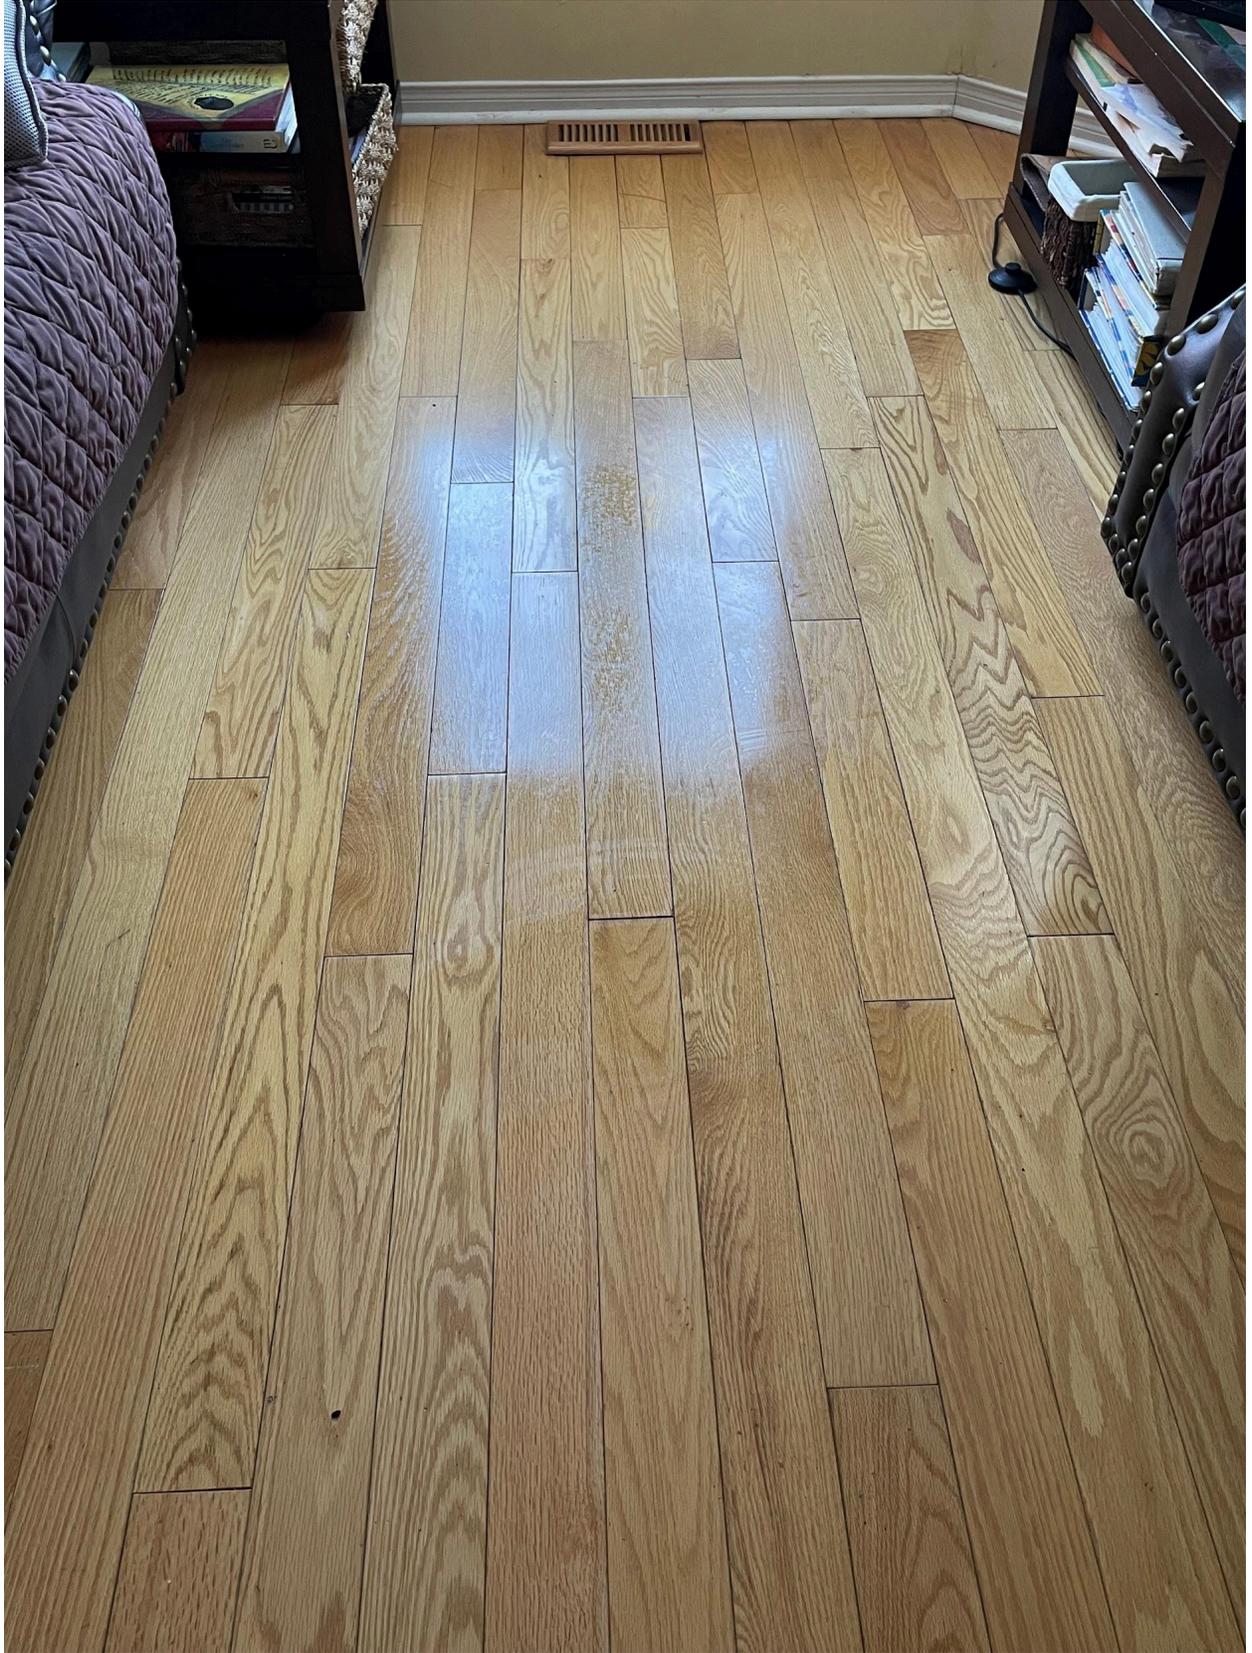

**Need a mop that picks up hair like this??? Look no further! The Norwex mop**

**Love my Norwex Mop System.**

**Your floors may look clean,  
then this happens 😱!!!**

**Brush off with the Norwex Rubber  
Brush, and you are ready to go again 🙌**
