“Need-to-Knows”

2020-2021

Learning Platforms & Information Systems

Canvas

Access: virtual lessons and assignments, inbox teacher, grades

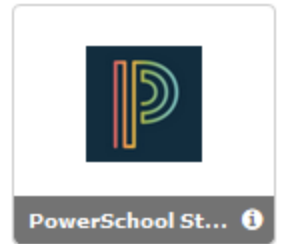

Savvas EasyBridge

Access: homework, videos, games, and classwork worked on in math class.

Google Classroom

Access: class assignments, projects, links, etc.

Power School

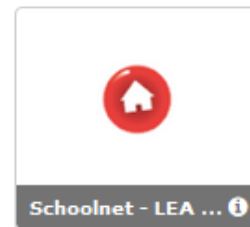

Access: grades, missing assignments

Student Work Completion and Submission Platforms

Google Drive

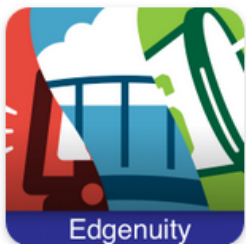

Access: classwork, projects, Google Docs, Google Slides, Google Classroom

Schoolnet

Access: test scores, test questions

Math and ELA Practice

Edgenuity

Access: additional (personalized) practice for math and reading standards

Learn Zillion

Access: resources and personal learning for the EL reading curriculum

Sora

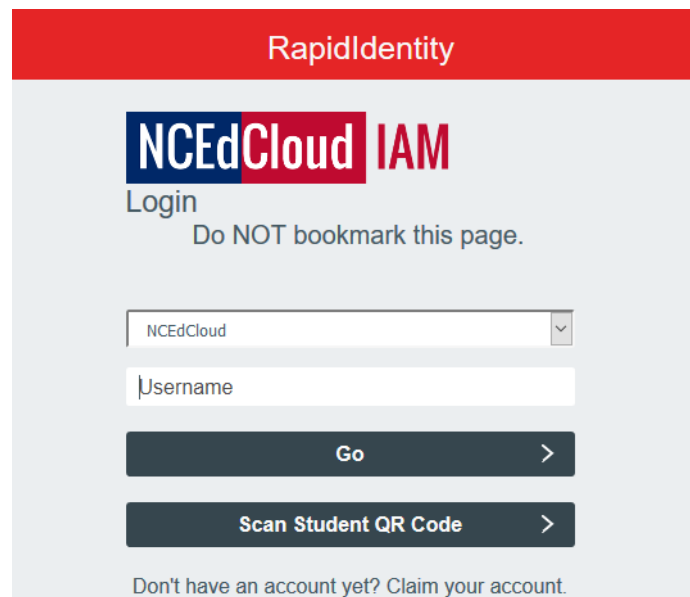

Access: borrow and read books online

NCEdCloud

In order to access:

- Savvas EasyBridge
- Schoolnet
- Powerschool
- Edgenuity
- Discovery Education
- Sora
- LearnZillion

Go to NC Ed Cloud: my.ncedcloud.org

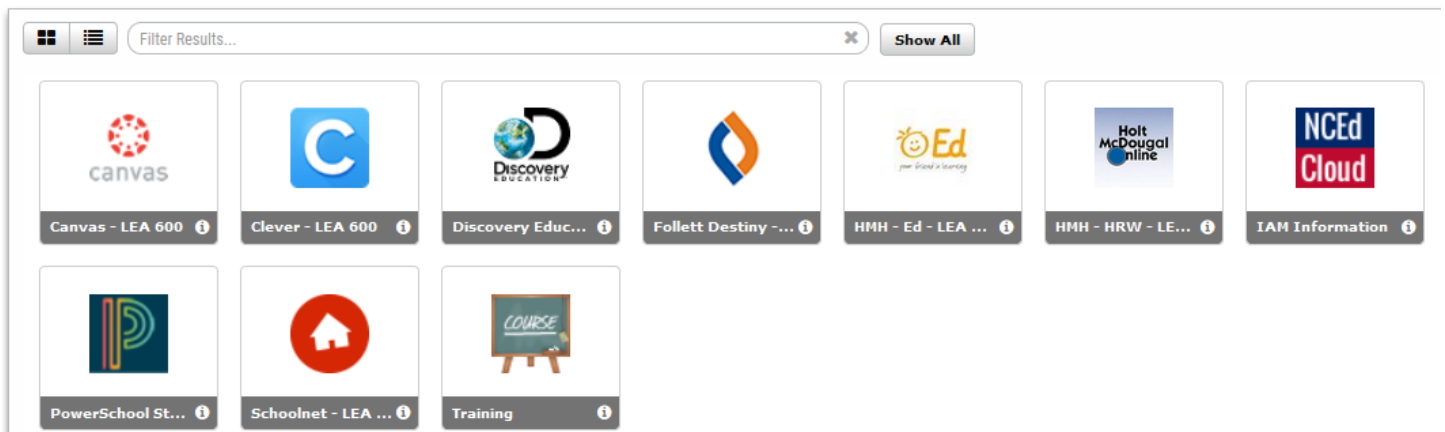

The image shows the NCEdCloud IAM login interface. At the top is a red banner with the text "RapidIdentity". Below this is the "NCEdCloud IAM" logo, with "NCEdCloud" in blue and "IAM" in red. Under the logo is the word "Login" and a warning: "Do NOT bookmark this page." There are two input fields: the first is a dropdown menu currently showing "NCEdCloud", and the second is a text field labeled "Username". Below these fields are two buttons: "Go" and "Scan Student QR Code", both with right-pointing chevrons. At the bottom, there is a link that says "Don't have an account yet? Claim your account."

Click on NCEdCloud and log-in:

Username: Student ID #

Password: Selwyn04

After logging in, you will see this screen with the following icons:

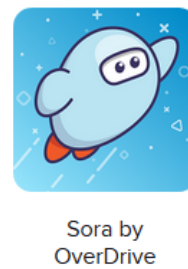

To access...

- Edgenuity
- Savvas Realize

click on the **Clever** App.

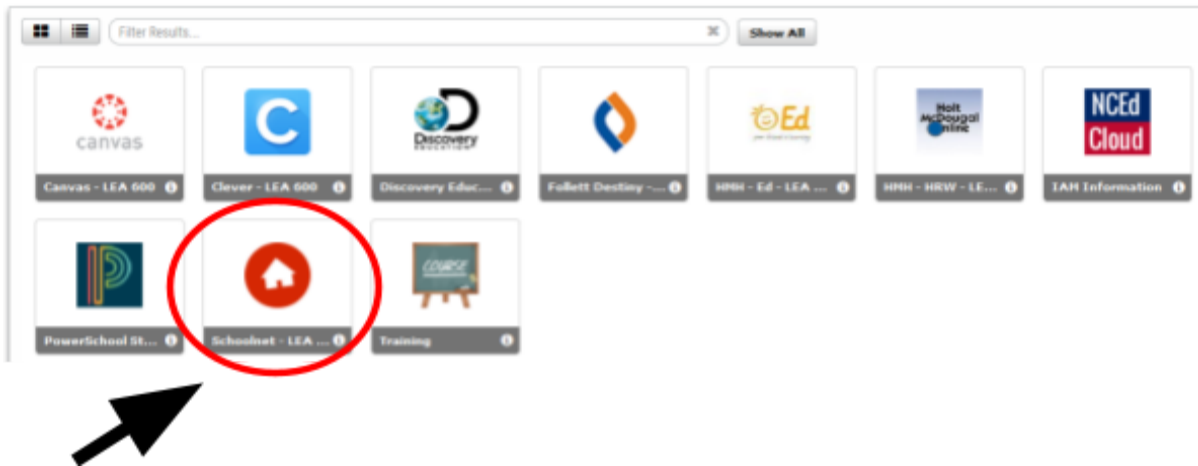

You will be directed to the following screen. Click on the program you would like to enter from this screen.

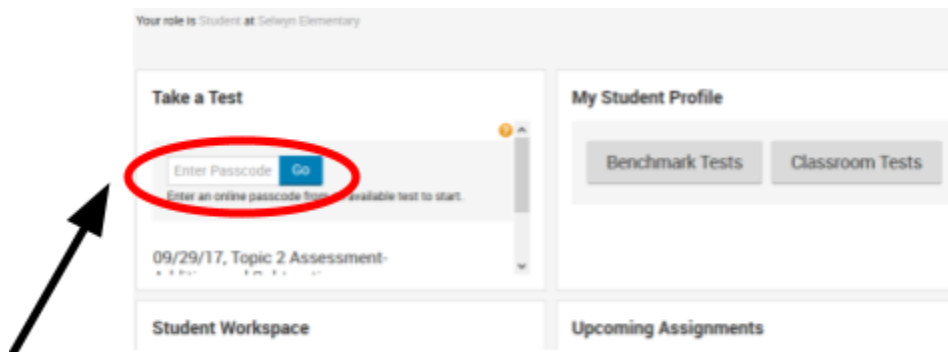

SchoolNet

To access Schoolnet from the NCEdCloud login screen, click on the Schoolnet icon:

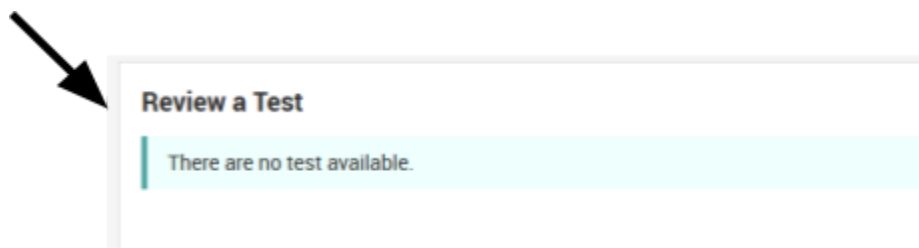

Upon logging in, you will see this screen:

To take a test: Students should enter the test code in the space labeled, “Enter Passcode”. Passcodes are NOT case sensitive and will never have spaces.

To review a test: If you scroll down, you will see an area to “**Review a Test**”. Here is where you will be able to see your child’s test scores, the actual test questions, the answers he/she chose and the correct answer for those that were answered incorrectly. This is your go-to for test corrections. **Remember: students must show all work and provide an explanation for the answer choice they provide in order to receive additional credit.**

Google Drive/Classroom

Google Drive:

Access Google Drive at home by going to www.google.com
Click the blue **Sign-In** button in the top corner of the page.

Use the following log-in information:

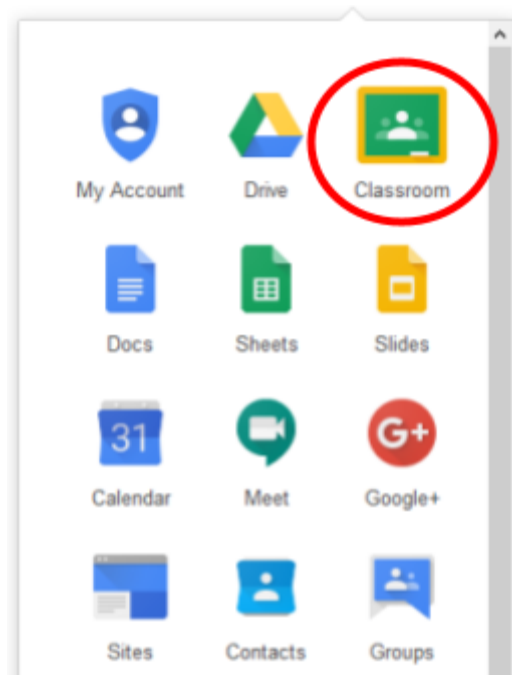

Username: studentid@student.cms.k12.nc.us

Password: (Birthdate) YYYYMMDD

Log-in to **Google Classroom** by clicking the 9 tiny boxes in the right corner. →

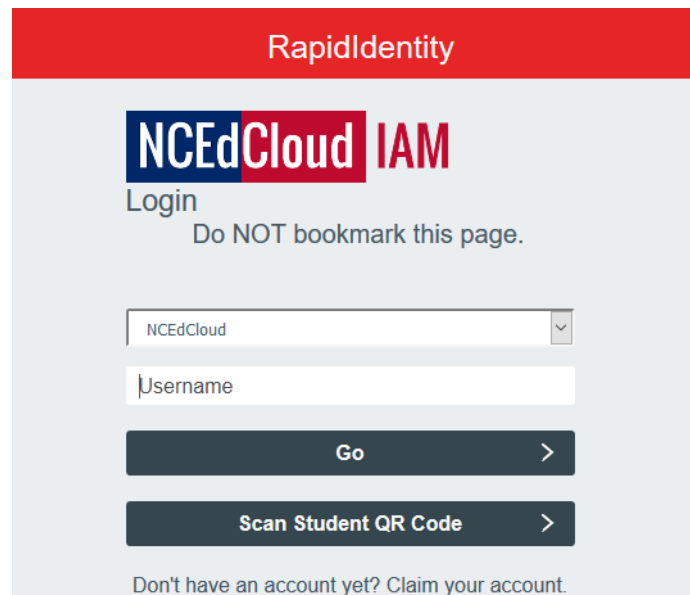

The following icons will appear. Click on **Google Classroom**.

Canvas

Go to NC Ed Cloud: my.ncedcloud.org

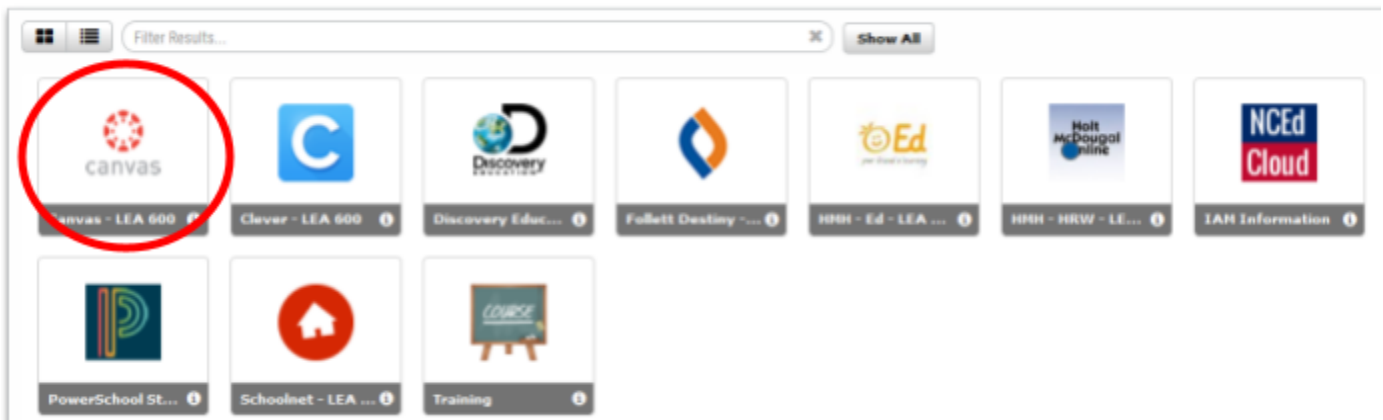

The image shows the 'RapidIdentity' login page for 'NCEdCloud IAM'. It features a red header with the text 'RapidIdentity'. Below the header, the 'NCEdCloud IAM' logo is displayed, followed by the word 'Login'. A warning message states 'Do NOT bookmark this page.' There are two input fields: a dropdown menu currently showing 'NCEdCloud' and a text field for 'Username'. Below these fields are two buttons: 'Go' and 'Scan Student QR Code', both with right-pointing arrows. At the bottom, a link says 'Don't have an account yet? Claim your account.'

Click on NCEdCloud and log-in:

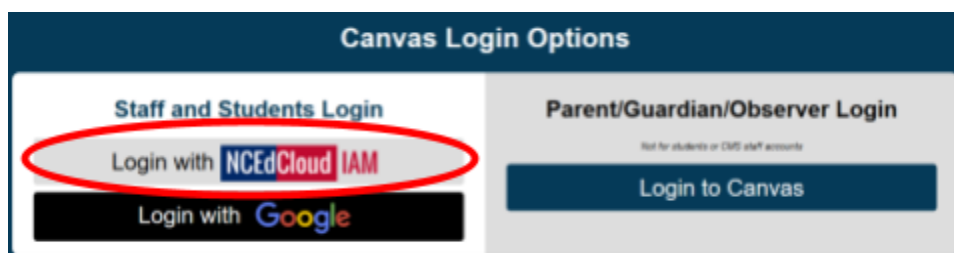

Username: Student ID #

Password: Selwyn04

After logging in, you will see this screen with the following icons. Click on the **Canvas** icon:

When prompted, click on NCEdCloud IAM:

On the Dashboard screen, click on the class you wish to enter (this will look different for your child- the classes that appear will be your child's current courses):
