Their selection extends to edibles, oils, topicals, pre-rolls, concentrates, vapes, and seeds, catering to both recreational and medicinal users. Additionally, the store provides a variety of accessories such as grinders, bongs, vaporizers, and rolling supplies, enhancing the overall cannabis experience.

THE WOODS

The Woods Certification Process

Every product at The Woods Cannabis undergoes a rigorous certification process conducted by a team of experts. This ensures that all offerings meet high standards for quality and safety, providing customers with reliable and effective cannabis products. The store also emphasizes sustainable growing practices by partnering with reputable brands committed to environmental responsibility.

Convenient Services and Community Engagement

Understanding the importance of convenience, The Woods Cannabis offers same-day weed delivery in Aurora and Newmarket, with free delivery on orders over \$100. The store operates daily from 9 AM to 11 PM, accommodating various schedules. Beyond product offerings, The Woods Cannabis engages with the local community, collaborating with local brands and small businesses to foster a sense of connection and support.

Expert Staff and Inviting Atmosphere

The Woods Cannabis prides itself on its knowledgeable and friendly staff, all of whom are certified and eager to assist customers in making informed choices. The store's atmosphere is designed to be cozy and inviting, creating a welcoming environment for both new and seasoned cannabis users. Customers can also benefit from consultations with the sommelier team, who provide personalized recommendations without any purchase obligation.

Loyalty Program and Additional Offerings

To reward loyal customers, The Woods Cannabis offers the Branch Pass loyalty program, featuring premium gold membership cards, points earned on every purchase, and special redemption opportunities on select products. The store also provides unique services such as accessory rentals and a white-glove glass cleaning service, ensuring that customers have access to clean and functional equipment for their cannabis consumption.
