Lost on a painted sky,
F C F C
where the clouds are hung for the poet's eye,

you may find him, if you may find him.

C F C
There on a distant shore
F C F C
by the wings of dreams, through an open door,
F G G7
you may know him, if you may.

[Chorus]

C
Be, as a page that aches for a word,
F C
which speaks on a theme that is timeless
F C
and the one God will make for your day.
C F C
Sing, as a song in search of a voice that is silent,
Dm C
and the sun God will make for your way.

[Interlude] C7 C7 C

[Verse 3]

C F C
And we danced to a whispered voice,

F C F C
overheard by the soul, undertook by the heart,
F C
you may know it, if you may know it.

C F C
While the sand would become the stone,
F C F C
which begat the spark, turned to living bone,
F G G7
holy holy, sanctus sanctus.

Be, as a page that aches for a word,
F C
which speaks on a theme that is timeless
F C
and the one God will make for your day.
C F C
Sing, as a song in search of a voice that is silent,
Dm C
and the sun God will make for your way.
