

Ojeda Thanksgiving Class Activity

Thank-You Card Project

What You Are Creating

You will create a hand-made thank-you card written to yourself in the target language.

Your card will include:

- A greeting
- Three thank-you statements
- Supporting details
- One creative add-on
- A closing message
- Decorations using construction paper and markers

Final Product:

A neat, colorful, folded card that shows effort in both language and presentation.

1. Greeting

Begin with a warm greeting in the target language:

- Querida yo / Querido yo
- Hola, yo futuro
- Querida versión mía de este semestre

2. Write Three Thank-Yous

Write three different thank-you sentences to yourself. Each should relate to:

- Something you did well
- Something you improved
- A personal quality you are proud of

Examples:

- Gracias por participar más en clase.
- Gracias por estudiar antes de las pruebas.
- Gracias por ser paciente contigo mismo.

3. Add Supporting Details

For each thank-you, add 2–3 sentences with:

- Descriptions (era, estaba, tenía)
- Emotions (me sentí orgulloso/a)
- Reasons (porque...)
- Examples from class (projects, tests, activities)

4. Closing

End with an encouraging message:

- Sigue adelante.
- Confía en ti y en tu progreso.
- No tengas miedo de hablar más.
- Tu futuro yo estará orgulloso.

Final Card Should Look Like:

- Folded construction paper, decorated
- Greeting + thank-yous + details inside
- One creative element
- Closing message
- Neat handwriting and effort
- All writing in the target language
