DAILY ANNOUNCEMENTS – PTSA

Early Out today at 1:20 PM

Black History Month is an annual celebration of achievements by African Americans and a time for recognizing their central role in U.S. history. Also known as African American History Month, the event grew out of “Negro History Week,” the brainchild of noted historian Carter G. Woodson and other prominent African Americans. Since 1976, every U.S. president has officially designated the month of February as Black History Month. Today we will celebrate the achievements of:

February 6

On February 3rd in 1870, the Fifteenth Amendment to the Constitution of the United States was ratified, guaranteeing the right to vote could not be denied based on race, color, or previous condition of servitude, and complementing the Thirteenth and Fourteenth Amendments, which abolished slavery and guaranteed citizenship, respectively, to African Americans.

Help Build the Gratitude Tree in time for Valentine's Day!

Who are you thankful for? Tell us about a Central teacher or staff member who supported you, helped you grow, or simply treated you with kindness. Or perhaps someone in the school who you see working hard every day for the sake of students and staff. Submit your words of gratitude using the QR code on flyers found throughout the school or via the online form found here:
