Style Stunts:

Keen: +1 to Empathy when attempting to discover character aspects.

Lucky: When spending a Fate Point to reroll dice, you get to roll five and pick any four..

Personal Stunts

Blather +2 to Rapport when creating an advantage based on the use of confusion, spurious logic, and nonsense.

I've Been Here Before: Once per scene for a Fate Point, Verad can recall some important fact about a city or small community in Eorzea.

Self-Deprecating Verbal Judo: Verad may use his Rapport instead of his Will to defend against Provoke attacks when insulted in a conversation.
