

Dear fellow SH members,

My name is Selena Glover, and I am a physiotherapist and PIPSC steward with DND in Halifax, Nova Scotia. As the current OP representative, I have gained valuable experience working with occupational therapists and physiotherapists on their questions and issues. If successful, I will continue to provide the key link of communication between the OP members and the SH Group, the Bargaining Team, and the appropriate sources of guidance within PIPSC. I am also presently serving as both Group Vice President and Sub-group Officer. The goal over the last two years in these roles has been to explore the gaps in local SH representation across the country and work to support the formation of SH sub-groups. Within this time, the SH Group has been able to reactivate four inactive SH sub-groups and establish four new SH sub-groups, fostering better communication among the SH members across the country and improving channels of information to and from the SH Group Executive. Thank you for the opportunity over the last few years, and I would be honoured to continue to represent the OP's and the SH members for the next term.
