

[★Terms of Service for Lobo's Commission work★]

- Payment via **Paypal or Ko-fi**.
- Payment is **taken upfront**, or in 50/50 intervals: 50% upfront, and the rest once the work is finished.
- I divide the process into **three steps**:
 - ★ **1st step**: *We talk about **your order and gather all the important details, you may also provide reference sheets, pics, and other references you deem** fit so I can get a good idea of what to do!*
 - ★ **2 Step**: I'll start to send **sketches of my progress**, you can change **details about the commission during this point**, I always encourage it so we both end up with a good final product!
Depending on the commission I'll send more or less sketches, but I always try to deliver the best outcome for the work.
 - ★ **3er Step**: We're about to finish! I'll **send the final look at the commission**, once everything is approved, you may send the other 50% of the price we agreed on (if you did payment plans), **and then I'll send your commission via e-mail**.
- **The approximate completion time for commission work goes from 1 week to 2 months**, depending on complexity, but I'll always keep in contact if anything happens.
- Commissions are intended for **PERSONAL USE**. Art intended for **COMMERCIAL USE** (selling products with my art) will cost more, and **you must discuss it with me beforehand, to avoid legal issues**.
- ★ **Tips are always welcome and appreciated!** ★

★ What will I draw?

- Humans, anthros, exotic, feral, etc. All body types are okay!
- Fanart.
- NSFW and SFW.

(I don't have as much experience drawing the following, but I'll give it a try):

- Mecha/armor.
- Feral characters.
- Complex backgrounds.

★ What will I NOT draw?

- Extreme gore
- NSFW of very young appearing characters (you can always ask if unsure).
- Some considered "extreme" fetishes (you can always ask if unsure since this can vary. For example, I'm fine with watersports [which are considered "extreme", but not scat, etc]).
- Anything else I don't feel totally comfortable or skilled enough to pull off.

★ Regarding uploads:

- **Private Commissions:**
 - A Private Commission means **I will not publish the finished piece, WIPs or timelapses related to the commission on any social media, use in advertisements, etc.**
 - **However, they will have a small fee of 10% of the price agreed for the commission, since I can't use it myself for promotion.**
 - Private Commissions are not allowed for YCHs with multiple participants.
- **Anonymous Commissions**
 - Anonymous commissions come with **no added fee!**
 - An Anonymous Commission means **I will still upload your commission publicly and might use it in advertisements, but I will never disclose you or your social media account(s) while doing so.**
- **Feel free to re-upload your commission online wherever you like and use it with total freedom** as an icon, wallpaper, header, etc. As long as it is for personal use, it's fine! **Just please, credit and link back to one of my social media pages if possible**

★ Payments & Refunds:

- I can do **payment plans** as stated above, just discuss it with me!
- I **can't give any refunds** after a commission is fully completed.
- I can give a **partial refund** if I've shown a WIP, but have not completed the commission yet.
- I can give a **full refund** if I haven't started the commission yet.
- **If I can't finish your commission, for any reason, I'll refund the amount according to the competition status of the work.**
