

PIG DICE GAME

What you need:

- 1 six sided die.
- Paper and pen for scoring.
- 2 or more enthusiastic players

Objective: To be the first player to reach 100 points.

Game play instructions:

Decide who will go first.

The first player rolls the die. If he rolls as 2, 3, 4, 5, or 6, he writes down the score.

If he did not roll a 1, the player can decide to roll again. If he again rolls a 2, 3, 4, 5, or 6, he adds that number to his previous score. If he rolls a 1, he earns no score and immediately passes the die to the next player.

When a player doesn't roll a 1, he can decide to continue rolling and adding the points from each roll to his total score for that turn. Or he can hold onto his points and pass the die to the next player.

However! If the player rolls a 1, he loses all his points (*for that turn only*) and must pass the die to the next player.

Play continues in this manner until one player reaches a score of 100.
