

Good Evening Warriors,

This is Assistant Principal Michelle Thompson with the "Weekly Warrior", with new announcements in bold print.

The Winter Break is quickly approaching. It will be from December 19th - January 2nd.

The Western Zone has a new Bus Coordinator. Please welcome Ashley Pruitt. All bus requests and parent calls/emails will now go through her.

Sean Lucier and his choirs have been putting in the work. Last week they went caroling at AO, Elon, Western Middle, and The Village at Brookwood. They did a fantastic job and are truly in the holiday spirit. If you missed it, then I encourage you to attend Thursday night's "A Winter Concert" which will feature Western Middle's 7th and 8th Grade Ensemble, WAHS Concert Choir, WAHS Warrior Voices, and the WAHS Frequency. The event will start at 7:00 pm and is FREE to the public.

Please do not send your student to school if they are sick. Any student who is determined to be ill while at school will be sent home to prevent the spread of illnesses. You, the parent, know your student best. If your student states they are feeling sick, please consider this seriously. You may need to keep your student from school and consult a healthcare professional.

Western Alamance High School recognizes that it is important for students to maintain their physical health, receive proper nutrition in order to take advantage of educational opportunities, and to help support families economically. That's why we are encouraging families to complete the lunch application. It's not too late.

Western Alamance is offering an Evening Academy for students to make up work and raise their grades. This is also a great time for students in APEX courses to earn credits toward graduation. This program is on Tuesday and Wednesday evenings from 4:15 to 6:15 in room E4. This is also for students who need to make up work or recover credits. Please contact Coach Jordan at charles_jordan@abss.k12.nc.us for additional information or questions. Discuss this program with your student and consider starting this program after the holiday break.

Saturday School is coming back. The dates and times for January have been identified: January 7th, 14th, and the 21st, from 9:00 am - Noon. Please be on the lookout for sign-up information in December.

For planning purposes, the exam dates for Semester 1 will take place between 1/19/2023 -1/25/2023.

Student drivers SHOULD NOT be using the car rider entrance (football stadium entrance) or using the grassy area as an exit. This has caused several near accidents and complaints from the community, which has resulted in an increased police presence due to complaints.

This is a reminder that the Alamance-Burlington School System joined other school districts across the state to enact a clear bag policy at all school events. This is not just for athletics!

Have a great evening!

Athletics for the Week of December 12th and December 19th

Tuesday, December 13th
