ABSTRACT

Abstract is written in English. Abstract uses Calibri 10 with single space, justify left and right. Abstract is written in one single paragraph with the maximum numbers of words are 200. Abstract includes problems, purpose, methods, results and discussion or implication. The research method must include the research design, number of samples and sampling technique, methods and data collecting techniques, and data analysis technique. There is no citation and abbreviation in abstract. Abstract is written in English. Abstract uses Calibri 10 with single space, justify left and right. METHODOLOGY (Times New Roman 11, caps lock, bold)

Methodology is written in Times New roman 11 in single space, justify left and right. Methodology explains the research design, population and sample of the research, and the numbers of samples including the sampling technique. Time and place of the research are stated clearly. Data collecting technique and instruments are explained in detail. Experimental research must include procedures, tools, and equipment clearly.

Methodology is written in Times New roman 11 in single space, justify left and right. RESULTS AND DISCUSSION (Times New Roman 11, caps lock, bold)

The research results can be presented using tables/graphs/figures. Tables use horizontal lines without vertical lines with the title of the table is bold, centered, and placed above the table. Title of the table/graph/figure is referred in the writing. Title of the figure is bold, centered, and placed below the figure. Table is named based on its appearance, so is the figure. Maximum numbers of tables are six. Titles of tables/graphs/figures are written by using Times New Roman 11, single space, justify left and right.

Table 1. Title of Table 1

		Reading			
		Fre qu en cy	Perc ent	Valid Perc ent	Cumul ative Perc ent
Valid	48.00	1	1.9	1.9	1.9
	52.00	1	1.9	1.9	3.7
	55.00	2	3.7	3.7	7.4
	60.00	3	5.6	5.6	13.0
	62.00	2	3.7	3.7	16.7
	64.00	7	13.0	13.0	29.6
	67.00	6	11.1	11.1	40.7
	69.00	6	11.1	11.1	51.9
	71.00	9	16.7	16.7	68.5
	74.00	7	13.0	13.0	81.5
	76.00	2	3.7	3.7	85.2
	79.00	3	5.6	5.6	90.7
	81.00	2	3.7	3.7	94.4
	83.00	2	3.7	3.7	98.1
	86.00	1	1.9	1.9	100.0
Total	54	100.0	100.0		

The research results can be presented using tables/graphs/figures. Tables use horizontal lines without vertical lines, with the title of the

table is bold, centered, and placed above the table. Title of the table/graph/figure is referred in the writing. Title of the figure is bold, centered, and placed below the figure. Table is named based on its appearance, so is the figure. Maximum numbers of tables are six. Tables/graphs/figures are written by using Times New Roman 11, single space, justify left and right.

Table 2. Title of Table 2

Model Summary				
Mo del	R	R Squar e	Adjusted R Square	Std. Error of the Estimate
1	.840 ^a	.706	.695	4.31953

a. Predictors: (Constant), schemata, vocabulary

The research results can be presented using tables/graphs/figures. Tables use horizontal lines without vertical lines, with the title of the table is bold, centered, and placed above the table. Title of the table/graph/figure is referred in the writing. Title of the figure is bold, centered, and placed below the figure. Table is named based on its appearance, so is the figure. Maximum numbers of tables are six. Tables/graphs/figures are written by using Times New Roman 11, single space, justify left and right.

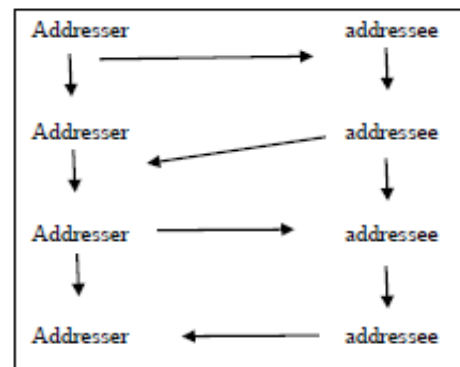

Figure 1. Title of Figure 1

The research results can be presented using tables/graphs/figures. Tables use horizontal lines without vertical lines, with the title of the table is bold, centered, and placed above the table. Title of the table/graph/figure is referred in the writing. Title of the figure is bold, centered, and placed below the figure. Table is named based on its appearance, so is the figure. Maximum numbers of tables are six. Titles of

tables/graphs/figures are written by using Times New Roman 11, single space, justify left and right.

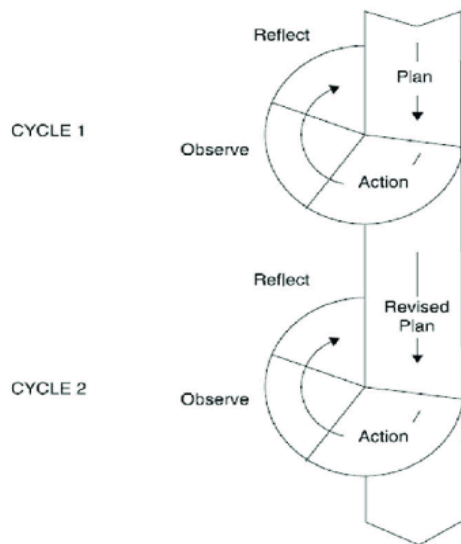

Figure 2. Title of Figure 2

The research results can be presented using tables/graphs/figures. Tables use horizontal lines without vertical lines, with the title of the table is bold, centered, and placed above the table. Title of the table/graph/figure is referred in the writing. Title of the figure is bold, centered, and placed below the figure. Table is named based on its appearance, so is the figure. Maximum numbers of tables are six. Titles of tables/graphs/figures are written by using Times New Roman 11, single space, justify left and right.

Discussion is written in Times New Roman 11, single space, and justify left and right. Discussion discusses the research results exactly and argumentatively, findings with the relevant theories, logical, systematic, and easy to read and understand explanations. Discussion needs to be supported by related references. Discussion is written in Times New Roman 11, single space, and justify left and right. Discussion discusses the research results exactly and argumentatively, findings with the relevant theories, logical, systematic, and easy to read and understand explanations. Discussion needs to be supported by related references.
