

Private Policy of DocoHeal Application

1)Introduction

This private policy outlines the ways in which the Health Care Application (the "Application") collects, uses, and shares personal information of its users. The Application is committed to protecting the privacy and security of its users' personal information. By using the Application, you acknowledge and agree to the collection, use, and sharing of your personal information as described in this private policy.

2)Collection of Personal Information

The Application may collect personal information from its users in a number of ways, including but not limited to:

Registration: When you register for an account with the Application, you may be required to provide personal information such as your name, email address, and phone number.

Health Information: The Application may collect personal health information from its users, including but not limited to medical history, current medications, and health conditions.

Location Information: The Application may collect location information from its users in order to provide personalized recommendations and services.

Device Information: The Application may collect information about the device you use to access the Application, including but not limited to device type, operating system, and IP address.

3)Use of Personal Information

The Application uses the personal information it collects for the following purposes:

To provide personalized recommendations and services to its users.

To communicate with its users, including but not limited to responding to user inquiries and providing updates on the Application.

To improve the functionality and user experience of the Application.

To comply with legal obligations and requirements.

4)Sharing of Personal Information

The Application may share personal information with third parties for the following purposes:

To provide personalized recommendations and services to its users.

To comply with legal obligations and requirements.

To protect the rights, property, and safety of the Application, its users, and others.

5)Data Security

The Application takes reasonable measures to protect the personal information it collects from unauthorized access, use, or disclosure. However, no internet transmission is completely secure and the Application cannot guarantee the security of personal information transmitted through the Application.

6)Data Retention

The Application will retain personal information for as long as necessary to fulfill the purposes for which it was collected, or as required by law.

7)Changes to this Private Policy

The Application may update this private policy from time to time. If significant changes are made, By continuing to use the Application, you acknowledge and agree to the updated private policy.

8)Contact Us

If you have any questions or concerns about this private policy or the collection, use, or sharing of your personal information, please contact us at [Insert contact information].
