Context: On memorial day, in broad daylight, George Floyd, was handcuffed and arrested for an alleged counterfeit bill. The arresting officers shoved George down to the floor and onto his stomach, then sat on him, putting over 500 pounds of pressure onto George's back and neck. The officers didn't let up even as he begged for his life, eventually killing him. As George became visibly unresponsive witnesses yelled out for the officers to stop, yet they remained on top of him proving their reckless intent. The four officers responsible for the death of George Floyd are: Derek Chauvin, Thomas Lane, Tou Thao, and J Alexander Kueng.

Script: Hello, my name is [your name], and I'm contacting your office with regards to the murder of George Floyd. I am demanding that you immediately arrest and charge the responsible officers - Derek Chauvin, Thomas Lane, Tou Thao and J Alexander Kueng. We cannot continue to allow police to act with impunity, as they violently brutalize our Black siblings [us]. Accountability is essential, and I want to remind you that the entire nation is calling on Michael Freeman to act and get justice for George's family. Thank you.

4. Contact Minneapolis Mayor Jacob Frey

Call: (612) 673-2100 ***Leave a voicemail if unanswered***

Script: Hello, my name is [your name], I'm contacting your office with regards to the murder of George Floyd. I implore Mayor Jacob Frey to make the necessary requests to arrest and charge the officers who are responsible: Derek Chauvin, Thomas Lane, Tou Thao and J Alexander Kueng. I'm also asking that your office redirect funding from the Minneapolis Police Department to community programs that will help reduce the amount of violence in Minneapolis. Floyd should be alive today, and Minneapolis needs Mayor Frey to stand with the community in demanding accountability. Thank you.
