Event Details:

On 24th March 2026, the Happiness and Positivity Club organized an outreach activity for the Polytechnic students of Sri Santhoshi Polytechnic College, Madhurandhagam. The event took place from 11:00 AM to 12:30 PM. The session commenced with an introduction by S. Anushiya, a 3rd year BME student, followed by a motivational speech by M. Johnson, Club Member and a 3rd -year CSE student.

M. Johnson shared valuable insights on how to manage anxiety during public exams, offering practical tips on refreshing the mind through fun activities. He also shared his personal experience of facing the higher secondary exams, helping students relate to the pressures and how to overcome them. The speech was followed by a career guidance session where Johnson spoke about his journey into engineering, the scope of the field, and its benefits. Following the informative session, the club members conducted a mind motivational activity titled "Tech Minds, Happy Hearts". The activity included various fun games designed to promote confidence and positivity. It encouraged students to participate in a sporty and engaging manner, a sense of joy and teamwork. Prizes were awarded to the winners of these activities, sponsored by KVCET and the Happiness and Positivity Club.

The event was a great success, providing both informative and motivational value to the students. The interactive session helped them gain clarity on career options and equipped them with tools to approach their exams with confidence.
