

# Amy Gabbitas Music

## 2024 Studio Policy

Private lessons are held once a week (online or in-person) and are individually tailored to students' needs, goals and musical learning. In addition to weekly lessons, students are invited to participate in occasional studio classes and a minimum of two recitals each year.

### **METHODOLOGY:**

All lessons use a wide variety of music methodologies focused on developing correct technique, sound musicianship and strong problem solving skills. As a versatile musician, mother, college professor and businesswoman, I am adamant about teaching students to be more than just performers. My goal is for students to be well-rounded musicians, set and achieve personal goals, work with others and learn to appreciate various styles of music.

### **METHOD BOOKS:**

Students will use several method books to become excellent musicians. I also supplement method books with my own selection of exercises, articles and repertoire.

### **AGES:**

I accept clarinet students ages 8 and older, preferably students who read some music and/or have studied piano for one year. Parents are always welcome to attend lessons. Parental attendance is encouraged during the first lessons. As students mature and develop independence, parental attendance declines.

### **PRICING:**

**Tuition is due by the first lesson of each month through Venmo @Amy-Gabbitas, Zelle or personal check.**

**30 minute lessons – \$30**

**45 minute lessons– \$40**

**60 minute lessons– \$55**

Please feel free to email me with your questions and to schedule a phone interview if you are interested in studying the clarinet.
