 - b. Residents

Pressly, R.

This is an opportunity for the public to address the Board of Education. Are there any residents in attendance? If so, please complete the Comment Form. The Board will not address specific comments, but ask for your name and address in the event follow-up is necessary. The Board reminds residents that the public comment portion of our meeting is only one item on a long agenda. We, therefore, ask that each speaker be as succinct as possible and that remarks be limited to two to three minutes. We would also expect that residents speak in a respectful and courteous manner, so as to model proper civility and decorum for our students. Residents may also contact the Board via e-mail at boe@shenet.org. All questions come into the Office of the Public Information officer and are shared with the Board and/or Superintendent as appropriate. Policy questions/concerns are typically addressed by the Board President. Operational questions/concerns are typically addressed by the Superintendent and/or designee.
