

To,

Dear [mention the name of your husband]

Sometimes I think about how I can be so lucky to find an amazing man like you. You are the reason for my smile and the way you never miss a chance to make me smile is such a blessing to me. I never imagined that my life would change in such a positive way after having you as my husband. The way you make me feel special is so commendable.

It's been [mention the year] years since our marriage and today also it is as fresh as it was [mention the year] years ago. Today also I feel something when I see you. The bond that we share with each other is very rare and I am lucky to share it with the man of my life. Your support and love make every day beautiful for me and I will always be thankful to you for this.

I am so glad that I found the love of my life in you and I promise to make you feel loved till my last breath. You are the best thing that ever happened to me. The way you look at me now is so precious and rare. Thank you for bringing so much love and support in my life, without you my life wouldn't have been this amazing.

I hope to have you by my side always and keep supporting me the way you do, without you nothing is possible. May our love grow stronger. You are someone who made me believe that love is a beautiful thing and not everyone hurts your feelings. You became a part of me without which everything seems useless. Just know that I will always be there for you and keep loving you till my last breath.

I adore you. Have a good day my love.

Your love [mention your name]
