What does housing look like for CIY?

We will be housed in the dorms at BIOLA. Each room sleeps 2. The rooms are really nice and have their own A/C but we will bring our own bedding, either a sleeping bag/pillow or sheets, blanket and pillow. Guys and girls dorms are all the way across campus from each other and like other camp programs guys and girls are not allowed in the opposite groups building.

What are the covid protocols?

Last summer's covid regulations at CIY did not include a mandatory covid test. and we were at a time during this pandemic that masks were only suggested but not required. We were

required to do a health screening with our group everyday and consisted of a series of health questions and a temperature scan. We will be tracking CIY's covid policy and communicate directly through email to all families that have students signed up for camp.

What is extended Rec and “skip-A-Meal”?

On extended rec day, the money that is saved from skipping just one meal helps fund MIX International. It enables students from all over the world to attend CIY events and train youth workers to amplify Christ's call on student lives. Skip-A-Meal is at lunch on Day 4. Extended recreation is a time where our youth group can enjoy the city and surrounding area in which CIY is located. Our group will be heading to Seal Beach, CA and we will provide lunch for our group.
