Where Academics & Arts Come *Alive*

## The Richland School of Academic Arts

### NOTICE:

August 17, 2022

The Richland School of Academic Arts, in cooperation with community agencies and other Ohio school districts, will continue to implement its Child Find Program as part of an ongoing effort to identify, locate, and evaluate all disabled children ranging in age from birth through the age of 21.

Federal guidelines establish 14 different disabilities for which children may not be visible in the community because they are either preschoolers, or their parents are not aware of the availability of programming extended by school and community-based providers. Examples of these disabilities include: developmental delays, health impairments, autism, and traumatic brain injuries.

If you are aware of a disabled child who may not be receiving educational and/or related services for their handicapping condition, please contact Scott Will, Superintendent, The Richland School of Academic Arts, 1456 Park Ave. West, Mansfield, OH 44906 or call 419-522-7273 ext. 200
