

Canoe Polo

Canoe polo is a fast moving game that combines ball skills and a similar game plan of netball or water polo with kayaking.

Apart from being a great game in its own right, it is very good for improving your whitewater paddling skills.

Winter League 2013

The first round of the winter canoe polo league is on and open to all levels of players.

Turn up on the night and join in a game. All required gear is provided and pool entry is covered in the charge (see costs below).
