

Blue highlights mean that I was a participant, a **green** highlight means that I ran the event completely, and a **yellow** highlight means that I was part of a mod team. Events are separated into categories based on their type (which is sortable via the document outline), and then put in chronological order. AO3 links are given preference over tumblr links.

I have two AO3 usernames, for different kinds of fic.

- [tiredmoonlight](#) - ship and gen fic
- [ghostofsykwalker](#) - anything reader-interactive

Same Eyes Zine

- *tumblr:* @/sameeyeszine
- *role:* writing contributor (fiction)
- *special notes:* the zine's theme is centered around the concept of shifting, changing, or putting one's own spin on whatever aspects of star wars canon we would like to, and was partially inspired by the *star wars: visions* series
- *zine's status:* layout period

Agent Carter Zine

- *tumblr:* @/agentcarterzine
- *role:* co-head mod, writing & art contributor
- *special notes:* this zine is a free, digital anthology aiming to feature works that focus around peggy carter or the characters in her show. since this is being run

with a small team (just me and a friend!), the roles aren't really set in stone. however, my focus on the project is mostly art, graphics, and layout related.

- *zine's status*: zine released - check it out [here](#)!

Fiendish Prophecies Zine

- *twitter*: @/FiendProphZine
- *role*: writing contributor
