Resource/Idea	Notes
Host a Tech Series for Parents - via Zoom, network wide so any parent can join and/or schedule on a report card day?	
Internet Safety for Parents	Could host a zoom series or "Coffee with the Technology Coach/Coffee with the Principal"
How are your kids using tech at CCS?	Could host a Zoom or family night to review tech at Habans - show parents the programs, provide info for what they can do at home, provide kid-friendly game sites, typing, etc.
Google Applied Digital Skills
