Screen Printing 2 P
(K7576)

Recommended prerequisite: Screen Printing 1
Meets SDUHSD Graduation requirement: Practical Art or Elective
Meets A-G requirement: G- College Prep Elective

This advanced study of screen-printing is a combination of laboratory applications and theory providing the foundation. Major goals include: printing processes, business aspects, case studies, advanced color reproduction, and close registration (with an emphasis on quality control of screen-printed media). As such, students will develop a professional portfolio and collaborate with local businesses and non-profit organizations. The competencies in this course are aligned with the California Common Core State Standards and the California Career Technical Education Model Curriculum Standards.

CTE Pathway: Graphic Production Technologies
Course Sequence to complete pathway:

	Concentration	Capstone
These courses must be taken in this order to earn completion in the pathway:	**Screen Printing P**	**Screen Printing 2 P**
