3. Click on “**If you have been assigned a Campus Portal Activation Key**” and enter the license number given to you by the school. In the next window, you will choose your username and password. You can set up security settings or save that step for later. You will be prompted to set them up after 3 l

ogins anyway.

4. The security settings will prompt you to choose 8 pictures that reflect your “likes” and 8 pictures that reflect your “dislikes”. Click on the categories to save the pictures. You will only do this once, but you must remember your pictures if you ever need to reset your password.
