

# 2024-2025 PTA Reflections Art Program Theme:

## “Accepting Imperfections”

### Student artwork due by Oct 15, 2024

The National PTA Reflections Program is an arts recognition and achievement program for students. Participation in the Reflections Program is a great way for students to express themselves through various art forms. Creating art is a valuable learning process that challenges students to use their critical thinking skills as well as their creative talents to create art that supports a specific theme. Students may submit entries in any of the six arts areas listed below. Only original works of art are accepted. Students may enter one piece in as many arts areas as they wish to participate in.

*The six arts areas are as follows:*

\* Literature  
\* Musical Composition

\* Photography  
\* Visual arts

\* Dance Choreography  
\* Film Production

Each art area has specific guidelines.

To receive guidelines and link to Google Entry Form, either go to
