

Privacy Policy

Last updated: [17 June 2024]

This Privacy Policy explains how your personal data is collected and processed by Kubera pixel cosmo games when you use our mobile application Alias Word Duel Airplane Game (the "App").

The App is a free-to-play game, and to maintain high quality and provide a great user experience, we process information about you primarily to improve the App and support internal operations.

Information We Collect

1. **Automatic Data Collection** When you access or use the App, Google Analytics through Firebase may collect anonymous usage data, including:
 - **Log Information:** Information about your use of the App, such as device type, features used, access times, and IP address.
 - **Device Information:** Data about the device you use, including manufacturer, model, OS version, time zone, and language settings.
 - **Device Identifiers:** Online identifiers such as IDFA, Google Ads ID, Google Device ID, and Google Play Account ID.
 - **Usage Information:** Data related to your game progress, scores, achievements, and interactions with other players.
 - **Consumption Information:** Information about your in-game purchases and virtual goods received.
2. **Data from Third Parties** If you log into the App using third-party services like Google Sign-In, we may access your profile information and friends list, subject to your consent and the authorization procedures of the third-party service. For more details on how these third-party services process your data, please review their privacy policies:
 - Google Play Games: <https://policies.google.com/privacy>

Use of Information

We use your information for the following purposes, based on applicable legal bases:

1. **To Provide and Maintain the App**
 - Deliver products and services you request.
 - Send technical notices, updates, security alerts, and support messages.
 - Improve the App and user experience.
2. **To Communicate and Personalize**
 - Provide news and information about the App.
 - Personalize and enhance the App with tailored content and features.
 - Analyze trends, usage, and activities related to the App.
3. **To Share with Third Parties**
 - With your consent, share advertising IDs with our advertising partners for personalized ads.

Data Security

We implement reasonable measures to protect your information from unauthorized access, alteration, disclosure, or destruction. However, no method of transmission over the Internet or electronic storage is completely secure.

Changes to this Privacy Policy

We may update this Privacy Policy periodically. We will notify you of any changes by revising the "Last Updated" date at the top of this policy. Significant changes will be communicated through additional notices or requiring renewed consent.
